Slocums Fortune:

SLOCUM #148: SLOCUMS FORTUNE. JAKE. LOGAN, 1991 Slocum's Fortune Jake Logan, 1991 **Hostages to Fortune** Peter C Newman, 2016-11-01 Esteemed Canadian author Peter C Newman recounts the dramatic journey of the United Empire Loyalists their exodus from America their resettlement in the wilds of British North America and their defense of what would prove to be the social and moral foundation of Canada In 1776 tensions in the British colonies were reaching a fever pitch The citizenry was divided between those who wished to establish a new republic and those who remained steadfast in their dedication to the British Empire As the tensions inevitably boiled over into violence fault lines were exposed as every person was forced to choose a side Neighbours turned against each other Families divided Borders were redrawn The conflict was long and bloody and no side emerged unscathed But there is one story that is often overlooked in the American Revolutionary canon When the smoke from the battles had settled tens of thousands of individuals who had remained loyal to the crown in the conflict found themselves without a home to return to Destitute distraught and ostracized or downright terrorized by their former citizens these Loyalists turned to the only place they had left to go north The open land of British North America presented the Loyalists with an opportunity to establish a new community distinct from the new American republic But the journey to their new homes was far from easy Beset by dangers at every turn from starvation to natural disaster to armed conflict the Loyalists migrated towards the promise of a new future Their sacrifices set the groundwork for a country that would be completely unlike any other Neither fully American nor truly British the Loyalists established a worldview entirely of their own making one that valued steady peaceful and pragmatic change over radical revolution The Loyalists toiled tirelessly to make their dream a reality And as the War of 1812 dawned they proved they were willing to defend it with their very lives In *Hostages to Fortune* Peter C Newman recounts the expulsion and migration of these brave Loyalists In his inimitable style Newman shines a light on the people places and events that set the stage for modern Canada **Slocum 356** Jake Logan, 2008-09-30 Slocum sticks his neck out for a woman wronged When Slocum meets lovely young Perla he learns that the New Mexican woman's haughty manner masks fear The Booster Brothers rustlers who raped and robbed her killed women and children and murdered her husband are leaving a trail of blood along the Rio Grande After Slocum agrees to escort Perla to her ranch he takes another job as avenging angel But before he brings the gang to justice Slocum finds you ride one hell of a road to carry out good intentions *Slocum 420* Jake Logan, 2014-01-28 Slocum's on the hunt for something wild Lately John Slocum has been trying to avoid trouble and save a little money but a gunslinger like Slocum can't stay out of the action for long When two men are brutally mauled by an unseen something or someone on Fall Pass Slocum is recruited to go on the hunt as much for his sharpshooting skills as for his nerve Because no one knows for sure whether the thing they're tracking is a man or a beast **Slocum 340** Jake Logan, 2007-05-29 Slocum won't let these snakes slip through his hands Young pretty Agnes Glitch is wealthy but alone in the world When she witnesses
