Duckett,1990      *The Gateway to the Middle Ages* Eleanor Shipley Duckett,1961 Portrays France and Britain at the beginning of the Dark Ages      **Monasticism** Eleanor Shipley Duckett,1961      *Monasticism : the Gateway to the Middle Ages* Eleanor Shipley Duckett,1938      *A History of the Middle Ages* Joseph Dahmus,1995 During the Merovingian centuries when most kings were weak and brutal men fought over power and booty ordinary folk as well as many who were not so ordinary again found themselves in desperate need of protection The result was the appearance and wide extension of a practice called commendation from back cover      *History of the Christian Church* Williston Walker,2014-06-30 Since publication of the first edition in 1918 *A History of the Christian Church* by Williston Walker has enjoyed outstanding success and recognition as a classic in the field Written by an eminent theologian it combines in its narrative a rare blend of clarity unity and balance In light of significant advances in scholarship in recent years extensive revisions have been made to this fourth edition Three scholars from Union Theological Seminary in New York have incorporated new historical discoveries and provided fresh interpretations of various periods in church history from the first century to the twentieth The result is a thoroughly updated history which preserves the tenor and structure of Walker's original unparalleled text      *The Middle Ages* Frank N. Magill,2012-11-12 Each volume of the *Dictionary of World Biography* contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography      **The Church Ascending** Diane Moczar,2014-03-20 Celebrated author and veteran historian Diane Moczar takes you on a fast paced and provocative ride through the development of Christian civilization from its emergence within the Roman Empire through its medieval springtime and summer Indeed within five hundred years of Nero's persecutions of the first disciples Christian civilization permeated every aspect of European culture with kings and commoners alike paying allegiance to the Catholic Church A master storyteller with an entertaining and evocative style Dr Moczar introduces you to the celebrated intellectuals and mystics the magnificent artists and writers and the greatest heroes and villains who forever changed Christianity and the West You'll also explore the dreadful heresies and sinful practices both inside the Church and out that developed cracks that would become great fissures leading to the bitter autumn that followed a most glorious age Most of all these pages will increase your love of God who is the source of all truth through a deeper understanding of Catholic history And they will renew your confidence that the Church is indeed Christ acting in the world and that no matter how many Neros are sent her

way by Satan she will not be defeated but will endure until the end of time      *Anabaptism and Asceticism* Kenneth R. Davis, 1998-10-17 Dr Davis explores the Anabaptist emphasis on penitence personal holiness and active discipleship to Christ He examines their view that discipleship involves the rejection of a life of affluence the civil oath and participation in the military and the magistracy
