The General Store In Vermont An Oral History:

The General Store in Vermont Jane C. Beck, 1980 A sentimental remembering of life in the traditional Vermont general store in the early part of the 20th century **The General Store in Vermont** Jane C. Beck, 1980 A sentimental remembering of life in the traditional Vermont general store in the early part of the 20th century *Country Stores of Vermont* Dennis Bathory-Kitsz, 2013-11-19 Each Vermont country store carries its own particular stock of special wares and memorable characters From the Connecticut River to Lake Champlain country stores and their dedicated owners offer warmth against the blizzard advice and a friendly ear or a stern word Neighbors meet and communities are forged beside these feed barrels and bottomless coffee urns Author Dennis Bathory Kitsz returns once again to the Green Mountain State with this updated and revised history and guide to its beloved country stores When Hurricane Irene threatened many of these local institutions and communities in 2011 Vermonters came together often at their country stores Explore the very heart of communities big and small where locals have been keeping their house keys behind the counter and solving the world's problems on the front stoop for more than two hundred years **Publications of the American Folklife Center** , 1977

International Journal of Oral History , 1981 **The Provincial** Hendrik Booraem, 1994 The Provincial traces Calvin Coolidge's life from his thirteenth birthday until his graduation from Amherst College ten years later It is a story of a shy young man from the country who gradually acquires an education and goes on to higher and higher levels of learning but in Coolidge's case that progress was very much against his will He grew up in the remote farming hamlet of Plymouth Notch Vermont eleven miles from the nearest railroad his stern thrifty father made money selling insurance and maple sugar holding local offices and renting property Coolidge looked forward to someday keeping the general store his father owned only a hundred feet from his house and passing his life in this isolated close knit community among people he knew and liked This book shows how his intelligence his love of reading and his father's ambitions for him pushed him unwillingly farther and farther away First he was sent to the local academy eleven miles away to study Latin and Greek Then on the enthusiastic recommendation of his high school principal he went on to Amherst College in Massachusetts On his first attempt to enter he became physically sick and had to return home The following year he tried again and this time he stayed but he was desperately unhappy the first two years and asked his father in vain to be allowed to come home In the end however Amherst turned out to be a success story for him Overlooked for the first two years by the sleek metropolitan young men who set the tone for the student body shut out of fraternities and social life because of his shyness and country ways he finally impressed his classmates with his dry sarcasm in debate his ready wit his unshakable poise and self control At the same time he himself was changed and broadened Under the influence of great Amherst professors like Charles E Garman and Anson D Morse he became sure of himself and well read in history philosophy and political science Even so as he graduated to the acclaim of his classmates he still yearned to go home to Plymouth Notch and settle there The Provincial ends with Coolidge's graduation a

brief afterword explains how he took up law and local politics to please his father and how hard work and intelligence led him to the Presidency BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Vermont History News ,1984 *Culture Work* Tim Frandy,B. Marcus Cederström,2022-07-26 The work folklorists do on the ground and in communities can make a concrete difference in quality of life While the field is not immune to extractive racist colonial heteronormative and misogynistic practices it can counter and combat these same forces in society Culture Work presents case studies of public oriented work that define the Wisconsin Idea of folklore in all its complexities challenges and potentialities Thematically arranged chapters represent interconnected aspects of culture work from amplifying local voices to galvanizing community from within to reflecting on how we might use folklore to build the world we want to live in *Vermont History* ,2015 **Oral History Association Newsletter** ,1981

Unveiling the Power of Verbal Art: An Psychological Sojourn through **The General Store In Vermont An Oral History**

In a world inundated with screens and the cacophony of fast interaction, the profound energy and mental resonance of verbal art often disappear into obscurity, eclipsed by the constant barrage of noise and distractions. Yet, located within the lyrical pages of **The General Store In Vermont An Oral History**, a interesting function of fictional splendor that impulses with raw emotions, lies an wonderful journey waiting to be embarked upon. Penned by a virtuoso wordsmith, this enchanting opus manuals readers on an emotional odyssey, lightly revealing the latent possible and profound influence stuck within the complex web of language. Within the heart-wrenching expanse of the evocative analysis, we can embark upon an introspective exploration of the book is central styles, dissect its interesting writing style, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
