The Gentle Revolutionaries Brennan Manning,1976 *Abba's Child* Brennan Manning,2015-04-10 Are you struggling to accept God's love We've bought into the lie that we are worthy of God's love only when our lives are going well But when life begins to fall through the cracks and things become less than perfect we scramble to present a good front to the world and to God God longs for us to deeply believe and know that He loves us and accepts us as we are He calls for us to remove our masks and establish honest deep and trusting relationships with Him When we are our true selves we can finally claim our authentic identities as His own Abba's children Brennan Manning author of *The Ragamuffin Gospel* soulfully encourages you to let go of the pressure of an impostor lifestyle and lean into the life changing wonder of a truly loving relationship with God With a gentle wisdom and tender style this book addresses Developing deeper intimacy with God Overcoming your inner pharisee Resting in your true identity as God's child Abba's Child will light the way to freely accepting your belovedness and being renewed by the reassurance of our Father's deep care for you regardless of how perfect your life isn't Honest Genuine Creative God hungry These words surface when I think of the writings of Brennan Manning Read him for yourself you'll see what I mean Max Lucado New York Times bestselling author I pray that Brennan Manning and the timeless voices in this book might offer you hope May they remind you that you are loved by the Father Creator Himself May they sing and speak into your life against the voices that tell you otherwise Jon Foreman lead singer of Switchfoot [The Importance of Being Foolish](#) Brennan Manning,2005-06-28 In the eyes of the world Jesus was a fool He did not abide by the rules of his day the people he associated with were shunned by society his Sermon on the Mount reads like a primer on being left behind stepped on and ignored In order for us to truly be the people Jesus wants us to be we too must learn to become foolish Becoming a Christian is not a magical enterprise by which we are automatically transformed into better people We must train to become who God intends us to be In *The Importance of Being Foolish* bestselling Christian author Brennan Manning teaches us how to think like Jesus By reorienting our lives according to the gospel we may appear to be fools in the eyes of the world but Manning reveals that this is exactly what Jesus wants In a powerful exploration of the mind of Christ Manning reveals how our obsession with security pleasure and power prevents us from living rich and meaningful lives Our endless struggle to acquire money good feelings and prestige yields a rich harvest of worry frustration and resentment Manning explores what Christ's mind was truly focused on finding the Father compassion for others a heart of forgiveness and the work of the kingdom Coming from the gentle yet compelling voice of Brennan Manning *The Importance of Being Foolish* is a refreshing reminder of the radical call of Jesus and the transforming love of God **National Union Catalog, 1982** ,1983 [National Union Catalog](#) ,1982 Includes entries for maps and atlases **The British Library General Catalogue of Printed Books 1976 to 1982** British Library,1983 *History of Europe from the Commencement of the French Revolution in 1789, to the Restoration of the Bourbons in 1815* Archibald Alison,1843 [American Christianity: 1607-1820](#) Hilrie Shelton Smith,1960
