The Ghosts Of Totnes

Rob Andrews

The Ghosts Of Totnes:

The Ghosts of Totnes Bob Mann,1993

Jessica Bannister and the Ghosts of the Past Janet Farell,2021-11-08

Despite a number of brushes with the supernatural in her first six months on the job as a journalist for the capital city's favourite tabloid the London City Observer Jessica Bannister remains naturally suspicious whenever anyone claims that ghosts and ghouls are responsible for the mysterious goings on in any given place and with so many bad actors around seemingly intent on preying on the superstitions of the locals for their own ends who can blame her But when the spectres of the past rear their ugly heads and she discovers there may be more to her dreams and premonitions than she first thought she's forced to re-evaluate her scepticism and revisit painful memories from her own life as well as having visions of tragedies that happened centuries ago Yet in spite of the danger and heartache awaiting her and even though she often finds herself in isolated locations cut off from civilisation she's determined to get to the truth and write it all down for her readers

Devon Ghost Tales Janet Dowling,2018-10-05 These spooky ghost tales from one of Britain's most ancient counties are vividly retold by local storyteller Janet Dowling Their origins lost in the oral tradition these stories are as eerie and mysterious as the windswept moorland wild shorelines and rugged landscapes from which they derive Here you will find stories of a voice beyond the grave a ghost on the pivot between heaven and hell and the spectres of Viking princes on moonlit roads Richly illustrated by Vicky Jocher with original drawings these atmospheric tales are perfect for reading aloud in front of a roaring fire or alone under the covers on dark stormy nights

The Ghost Arnold Bennett,1907

The Ghost Arnold Bennett,2021-09-12 The Ghost Arnold Bennett First published in 1907 The Ghost was the first of many fantasias on modern times written by Arnold Bennett These illustrated his ability to produce not only realistic novels perfected in his portrayals of provincial English life set in the Staffordshire scenery of his childhood but also more sensational stories written after his move to London where he developed a far more cosmopolitan interest A supernatural story The Ghost tells the tale of a beautiful opera star Rosetta Rosa whose beauty seems to cast a spell upon all those who meet her When Carl Foster a young doctor sees Rosa at a London opera and is instantly captivated he soon finds himself plagued by mysterious happenings and begins to see a malignant spectral figure everywhere he turns When another man enraptured by Rosa mysteriously dies Carl begins to wonder whether loving her could bring with it a deadly curse Moving between London and Paris this fast-paced story draws the reader into a ghostly world of twists turns drama and suspense

The World's Most Mysterious Places Lionel Fanthorpe,Patricia Fanthorpe,1999-05 A fascinating compilation of stories about lost lands weird locations and strange sites

The Rough Guide to Devon & Cornwall Rob Andrews,2010-04-01 The Rough Guide to Devon Cornwall is the ultimate handbook for discovering the region from the wilds of Dartmoor to the rocky Atlantic coast and from Lundy Island to the English Riviera of Torbay For outdoor activities enthusiasts or beach bums The Rough Guide to Devon Cornwall tells you everything you need to know for a weekend away or an extended break Discover the best walks rides dives
