IAPSM's Textbook of Community Medicine AM Kadri,2019-06-30 *Healthy Eating, Healthy World* J. Morris Hicks,2011-10-04 Imagine that the New York Times tomorrow released some amazing news A health treatment has been discovered that literally cures most forms of heart disease But not just that This treatment has a dramatic impact on most of the diseases Westerners face including cancer obesity autoimmune diseases diabetes osteoporosis Alzheimer s and many many others And this treatment is so inexpensive to administer that two thirds of the medical establishment can be shut down as no longer serving any useful function It s really too much to believe isn t it But there s more This treatment has miraculous implications for the environment By applying this treatment we can eliminate the largest source of global warming and dramatically reduce the waste that is polluting our water supply We ll also dramatically improve the health and animal population of our oceans and seas And there s more By applying this treatment we ll dramatically increase the supply of arable land lowering the cost food and allowing us to feed everyone on this planet Starvation can become a thing of the past And one last thing This treatment also has enormous moral implications allowing us to eliminate almost all of the pain and suffering we are inflicting on the animals most of which is hidden away from view but is morally repulsive to anyone exposed to this suffering Now what if I told you that we don t have to wait for tomorrow s New York Times that this treatment has been found and that the amount of scientific data supporting the claims I just made is overwhelming The miracle treatment is simple It s eating a whole grain plant based diet Skeptical I m not surprised But by the end of this book you ll be exposed to the overwhelming amount of evidence that supports every claim made above You ll also get to hear the counterarguments made by skeptics and you ll get to decide for yourself whether these claims are true It s my hope that by the end of this book you ll be convinced and join our movement You may just save your life and the planet in the bargain This revolutionary book is *Healthy Eating Healthy World Unleashing the Power of Plant based Nutrition* by J Morris Hicks and it is the book that finally tackles all compelling reasons for adopting a plant based diet from the environment to solving the world s hunger crisis Additionally T Colin Campbell acclaimed author of the bestselling book *The China Study* provides a riveting foreword to *Healthy Eating Healthy World* After reading this book it ll be nearly impossible to ignore the truth people were not meant to eat animals or animal products and the time has come to stop

Care, Healing, and, Human Well-Being within Interreligious Discourses Helmut Weiss,Karl H. Federschmidt, Daniël Louw,Linda Sauer Bredvik,2021-12-08 Care

Healing and Human Well Being within Interreligious Discourses is an edited peer reviewed volume of global perspectives on interreligious approaches to healing and well being by 23 academics and practitioners from five different faith practices and 13 different cultures With chapters by counsellors chaplains religious thinkers and linguists the multifaceted nature of the volume provides an expansive approach to spiritual care and counselling In order to understand the ways in which interreligious encounters can have an enriching effect on our humanity the volume is divided into four sections that address methodological questions surrounding spiritual caregiving perspectives of different faith traditions on care and healing the challenges to the praxis of care in diverse cultural and political settings and finally how spiritual care and healing can be carried out in public places such as the police the military and hospitals The book is an outgrowth of 25 years of experience within the Society for Interreligious Care and Counselling SIPCC to promote better understanding and practices of intercultural and interreligious spiritual caregiving Care Healing and Human Well Being within Interreligious Discourses is an extraordinary assemblage of writings from diverse cultural religious and geopolitical contexts By addressing methodological questions challenges faced in the care of individuals and care in public settings from Islamic Jewish Christian Buddhist and Hindu perspectives this anthology moves the discourse on care and healing into a more adequate theological anthropology than has often undergirded pastoral care and counselling in most Western texts This much needed work will doubtless be crucial for chaplains and other spiritual care providers seeking to offer genuinely interreligious and intercultural care in today s globalized world Emmanuel Y Lartey PhD Charles Howard Candler Professor of Pastoral Theology Spiritual Care Candler School of Theology Emory University GA USA Given the variety of religious expressions in the contemporary world providing interreligious care is a great challenge for caregivers This book contributes to reflection on care and healing from an interreligious perspective by helping us to think about the theme not only from a theoretical approach but also from methodological practical and culturally contextualized points of view that overflow with compassion It is not to be simply read but studied and used as a bedside book by those engaged in the practice of human care Dr Mary Rute Gomes Esperandio Professor and researcher on Spirituality Health in the Post Graduate Program in Bioethics and Post Graduate Program in Theology at the Pontif cia Universidade Cat lica do Paran Brazil
