The Gifted:

The Gifted Parenting Journey Gail Post, Ph.D., 2022-10-05 In The Gifted Parenting Journey A Guide to Self discovery and Support for Families of Gifted Children clinical psychologist and parent Gail Post Ph D addresses the needs and emotional life of parents of gifted children Gifted children can be overwhelming parents must navigate a maze of heightened intensity asynchronous development and astonishing intellectual abilities These challenges and the emotions they evoke are not always easy to discuss with friends or professionals unfamiliar with giftedness As a result parents of gifted children often struggle in relative silence reluctant to voice their concerns Most books on raising gifted children focus on the child paying little attention to the parent s unique experience This book instead will guide parents along their gifted parenting journey exploring what they might worry about and feel How they can weather and even thrive despite roadblocks to their child s education criticism from others based on stereotypes and their own self doubts Understanding their thoughts and feelings and distinguishing these emotions from what their child needs is key to making informed parenting decisions Throughout this book parents are invited to discover more about their deeper emotions and motivations what influences their attitudes and expectations and how certain reactions are elicited in response to the gifted experience Readers will be prompted to explore questions that should increase self awareness and are offered both practical tools for managing their emotions and guidelines for improving their parenting skills Dr Post provides the latest research clinical vignettes and insight based on decades of experience as a psychologist Findings from a recent online survey of 428 parents of gifted children initiated for the purpose of this book explore what other parents want readers to know While this book is specifically geared toward parents of the gifted it also offers guidance for anyone interested in understanding gifted children and their families grandparents extended family caregivers teachers and other professionals The guidance support and increased self awareness acquired through this book should enhance parents well being and confidence along their gifted parenting journey

The Gifted Anna Kathryn Davis, 2013-04 Sometimes things happen that can t be explained I am one of those things I m not exactly human I m evolved into something else but what that is I don t know My parents were human but they re long gone now a trend that everyone in my life seems to have followed I am nothing like you know My beginning is not unlike yours though my end is another story Haunted by nightmares living deep within her past Rose Hawthorne is anything but perfect at least on the inside Outside her appearance tells a very different story She is so beautiful that the mere sight of her face makes normal men mad She is lethal too just like all her friends Five teenagers with superhuman powers should be dangerous though They are the only ones standing between the human race and an Infestation of mass proportions Sometimes when the world sets you apart the only way to save it is to come together This is their story They are the Gifted
