Joseph Charles Philpot

The Glory:

The Glory Walk James R. Wilkes, 2010-02-01 The Glory Walk is a brief work explaining to Christians what living for God's glory is all about. It is a summons to believers to live in the bigger picture of God's kingdom with God's purposes in view. We must face the reality that western culture is man-centered; that one's natural tendencies are toward self-glory and that the grace of God is what is deeply needed to fulfill our purposes in God's created order. Christians need to be God-centered, oriented by the truth of God's Word, focused on the gospel and completely dependent on God. We must see clearly that our God is infinitely glorious. Thus He is worthy to receive our worship and praise. The believer's duty is to live intentionally for God's glory alone. However, duty must not carry with it the idea of drudgery. Instead, by God's grace, we delight in him and desire his glory to be known. The teachings in The Glory Walk call believers to the joyful life of exalting Christ. Singing The Glory Down William Lynwood Montell, 2014-10-17 In Singing the Glory Down William Lynwood Montell contributes to a fuller understanding of twentieth-century American culture by examining the complex relationships between gospel music and the culture of the nineteen-county study area in which this music has flourished for a hundred years. He has recorded the memories and feelings of those who were young while the movement gathered steam and who remember it at its high point and stories about those who have passed over that river about which they loved to sing. In the early 1900s a singing school or gospel convention was a major social event that enticed people to walk for miles to learn to sing or to hear someone who already had. The shape-note teachers of those days conducted days or even weeks of nightly practice which culminated in a performance that confirmed the teacher's skill. Quartet music originated in these settings. Today some area quartets still sound much like those early groups; others teach themselves to sing by imitating their favorite professional gospel ensembles. They travel every weekend in buses emblazoned with the names of their groups, with tapes and albums to sell. Through all the changes the four-part southern harmony of Kentucky gospel music has remained the same. In the words of these performers, through letters, diaries, and interviews, Montell details the attitudes and joys of those involved most deeply in the gospel music scene. He also brings the reader into their personal relationships, their professional jealousies, and their struggles to keep alive the music they love. **the latter-day saints millennial star**, 1841 **The Works of President Edwards ...** Jonathan Edwards, 1809 The works of ... Jesus as the Fulfillment of the Temple in the Gospel of John Paul M. Hoskins,2007-02-01 This study examines John s portrayal of Jesus as the fulfillment and replacement of the Temple It also shows how a traditional conception of typology can be helpful for understanding the nature of the relationship between Jesus and the Temple Interpreters often associate John 1 14 1 51 2 18 22 and 4 20 24 with Jesus replacement of the Temple Based on these texts one can already begin to see that he fulfills and replaces the Temple in that he is the new locus of God s presence glory revelation and abundant provision for his people In particular John 2 18 22 clearly associates Jesus role as the Temple with his death and resurrection According to Isaiah part of God s decisive action on behalf of his people and for revealing himself to the nations is the lifting up of the Temple above all other temples In John this expectation finds its fulfillment in Jesus John s language of lifting up and glorification marks Jesus death resurrection and exaltation as climactic events through which God lifts up and glorifies Jesus the true Temple Jesus death resurrection and exaltation are also the means by which God provides for his people Jesus offers his flesh and blood for the life of the world and sends the Spirit to enrich believers with the benefits of his sacrificial death In doing so he simultaneously fulfills prophecies and patterns associated with the Passover Feast of Tabernacles Feast of Dedication and the Temple

The Second Epistle to the Corinthians Paul Barnett,1997-04-17 This statement reflects the underlying purpose of The New International Commentary on the New Testament Begun in the late 1940s by an international team of New Testament scholars the NICNT series has become recognized by pastors students and scholars alike as a critical yet orthodox commentary marked by solid biblical scholarship within the evangelical Protestant tradition While based on a thorough study of the Greek text the commentary introductions and expositions contain a minimum of Greek references The NICNT authors evaluate significant textual problems and take into account the most important exegetical literature More technical aspects such as grammatical textual and historical problems are dealt with in footnotes special notes and appendixes Under the general editorship of three outstanding New Testament scholars first Ned Stonehouse Westminster Theological Seminary Philadelphia then F F Bruce University of Manchester England and now Gordon D Fee Regent College Vancouver British Columbia the NICNT series has continued to develop over the years In order to keep the commentary new and conversant with contemporary scholarship the NICNT volumes have been and will be revised or replaced as necessary The newer NICNT volumes in particular take into account the role of recent rhetorical and sociological inquiry in elucidating the meaning of the text and they also exhibit concern for the theology and application of the text As the NICNT series is ever brought up to date it will continue to find ongoing usefulness as an established guide to the New Testament text
