The Go Go Years:

The Go-Go Years John Brooks, 1999-09-20 The Go Go Years The Go Go Years is not to be read in the usual manner of Wall Street classics You do not read this book to see our present situation reenacted in the past with only the names changed You read it because it is a wonderful description of the way things were in a different time and place From the Foreword by Michael Lewis The Go Go Years is the harrowing and humorous story of the growth stocks of the 1960s and how their meteoric rise caused a multitude of small investors to thrive until the devastating market crashes in the 1970s It was a time when greed drove the market and fast money was being made and lost as the go go stocks surged and plunged Included are the stories of such high profile personalities as H Ross Perot who lost 450 million in one day Saul Steinberg's attempt to take over Chemical Bank and the fall of America's Last Gatsby Eddie Gilbert Praise for The Go Go Years Those for whom the stock market is mostly a spectator sport will relish the book's verve color and memorable one liners New York Review of Books Please don't take The Go Go Years too much for granted as effortlessly as it seems to fly it is nonetheless an unusually complex and thoughtful work of social history New York Times Brooks's great contribution is his synthesis of all the elements that made the 1960s the most volatile in Wall Street history and making so much material easily digestible for the uninitiated Publishers Weekly Brooks is about the only writer around who combines a thorough knowledge of finance with the ability to perceive behind the dance of numbers high pure moral melodrama on the themes of possession domination and belonging Time

Goliath Matt Stoller, 2020-10-06 Every thinking American must read The Washington Book Review this startling and insightful The New York Times look at how concentrated financial power and consumerism has transformed American politics and business Going back to our country's founding Americans once had a coherent and clear understanding of political tyranny one crafted by Thomas Jefferson and updated for the industrial age by Louis Brandeis A concentration of power whether by government or banks was understood as autocratic and dangerous to individual liberty and democracy In the 1930s people observed that the Great Depression was caused by financial concentration in the hands of a few whose misuse of their power induced a financial collapse They drew on this tradition to craft the New Deal In Goliath Matt Stoller explains how authoritarianism and populism have returned to American politics for the first time in eighty years as the outcome of the 2016 election shook our faith in democratic institutions It has brought to the fore dangerous forces that many modern Americans never even knew existed Today's bitter recriminations and panic represent more than just fear of the future they reflect a basic confusion about what is happening and the historical backstory that brought us to this moment The true effects of populism a shrinking middle class and concentrated financial wealth are only just beginning to manifest themselves under the current administrations The lessons of Stoller's study will only grow more relevant as time passes An engaging call to arms Kirkus Reviews Stoller illustrates here in rich detail how we arrived at this tenuous moment and the steps we must take to create a new democracy

So Damn Much Money Robert G. Kaiser, 2009-01-20 With a New Foreword In So Damn Much Money veteran Washington Post editor and correspondent Robert Kaiser gives a detailed account of how the boom in political lobbying since the 1970s has shaped American politics by empowering special interests undermining effective legislation and discouraging

the country's best citizens from serving in office Kaiser traces this dramatic change in our political system through the colorful story of Gerald S J Cassidy one of Washington's most successful lobbyists Superbly told it's an illuminating dissection of a political system badly in need of reform

The Value of Money Susan McCarthy, 2008-04-17 One of our nation's leading financial advisors and the Soul Authority on Money Management reveals that while emotions can make financial decisions difficult our emotional relationship with our money can also lead to not just greater wealth and financial security but amazing personal growth as well As a financial advisor for the past twenty five years Susan McCarthy has firsthand knowledge of the surprising degree to which emotion can govern important financial transactions But time and again she also has seen her clients emerge from challenging financial situations with a newfound sense of purpose in their lives Says McCarthy The world of money is a world of emotion a stage on which we play out all of our dramas The lessons it has to teach us go well beyond the financial They reach deep into our emotional and even our spiritual lives Money is one of our greatest teachers According to McCarthy for many of us the world of money reaches deep into our psyches setting off fears and uncertainties we often don't even know we harbor In The Value of Money she gives readers the tools they need to see past this tumultuous aspect of money to achieve not just greater wealth and financial security but personal insights as well Presenting various money types she has observed in her work McCarthy helps readers to determine what type or combination of types they are and how each typically responds to life's most challenging financial events taking financial responsibility for the care of a child or elderly parent the death of a spouse retirement and how to turn around any self-defeating responses to the events This wise book outlines a path not just to a richer future financially but spiritually as well

The Go Go Years Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Go Go Years has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Go Go Years has opened up a world of possibilities. Downloading The Go Go Years provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Go Go Years has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Go Go Years. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Go Go Years. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Go Go Years, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Go Go Years has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous

learning and intellectual growth.
