Forward in the Fog Lori D. Fischer,2023-12-20 When Lori s musician son Joe first mentioned numbness in two of his fingers she didn t think much of it But as days passed and he was hit with a crippling migraine and relentless nausea her concern deepened Then came a doctor s devastating diagnosis Brain cancer aggressive inoperable twelve to fifteen months Join Lori on an emotional journey through love hope despair and finally open handed surrender to the wisdom and goodness of God Joe was strong healthy and athletic a black belt in the mixed martial art Kajukenbo He was a talented singer songwriter with an album and several singles He quietly loved and served those living on the streets often stopping to chat with them and buy them lunch or a pair of shoes sometimes literally giving the jacket off his back Honest and vulnerable regarding her own dark emotions during a season of suffering and uncertainty her sense of God s absence and her desperation to withdraw from society Lori finds that even for a solitude loving introvert nurturing our most important relationships is infinitely rewarding and that God is steadfast in his love and mercy regardless of our feelings about him

The Abyss James Bèyor,2016-06-03 Have you ever asked yourself why human beings are compelled to agree Is it in our organic human nature to gather in like minded groups and segregate ourselves from others with dissimilar opinions Why do we feel the need to call ourselves good or right believing only we have a firm grasp of the truth while we label those not like us as bad or wrong Is it possible that our compulsion to agree is an elaborate man made control mechanism rooted in fear James Beyor points out in *The Abyss* the second book in his *Guarded Hearts* trilogy that we live in a dangerous time where our agreements are causing us great mental and biological harm Humankind is suffering from a bio mental decrepitude We have been duped into living out a symbolic replica of our human life potential Beyor points to an urgent need we must all address which if we do not will bring about anther period of inquisition far more insane and destructive than has

been suffered by men in the past This inquisition will require secular obedience as defined by a government out of control He points to many fundamental elements that foreshadow unparalleled atrocities inflicted on the mentally and biologically impaired human species This is not just another doomsday tale it is a message of hope that we can if we act now reestablish our innate inner directed sense of all knowing built and begin again to live an authentic life The people of the world watch helplessly as our institutions falter in their insatiable struggle for dominance over the human race We must reclaim individual clarity and wean ourselves from our dependency on agreements of symbols and words In the Beyor Journals you will come face to face with yourself and become aware of your own innate clarity a genesis gift available to all those who have the courage to join then the great awakening who claim their right to a living truth You will never again wonder what is behind your successes and failures
