**Gods of Egypt** Orlando Smart-Powell, 2013-06 With a Balance of good and evil man may choose his own path freely that is the Covenant agreed to by God and Lucifer himself. But the Balance has been undone. Shazadeh a demoness of unspeakable power and enchanting beauty has tilted the scales in Hell's favor. With the balance undone she seeks to anoint herself goddess of the earth. And the earth her prize she shall have if she can find and kill the one child who has been prophesized to become her equal and bring balance back to the world. Tamen an immortal being who governed Egypt as the god Horus has been sent by the Christ himself to find the child. The war for mankind's souls has begun. A dark shadow creeps upon the earth. Mankind's soul teeters on the brink of salvation and damnation. The demons have already prepared for war and victory. Tamen now has but two paths. Succeed and save the souls of men. Fail and the world falls into everlasting darkness. You are an excellent writer very talented. Full of surprises. Loved the story.
