The Gods Of War:

God of War II Robert E. Vardeman, 2013-02-12 All the majesty and mayhem of Greek mythology springs to life once more in the powerful second novel based on the bestselling and critically acclaimed God of War franchise Once the mighty warrior Kratos was a slave to the gods bound to do their savage bidding After destroying Ares the God of War Kratos was granted his freedom by Zeus and even given the ousted god s throne on Olympus But the other gods of the pantheon didn t take kindly to Kratos s ascension and in turn conspired against him Banished Kratos must ally himself with the despised Titans ancient enemies of the Olympians in order to take revenge and silence the nightmares that haunt him God of War II takes the videogame s action to electrifying new heights and adds ever more fascinating layers to the larger than life tale of Kratos

Barlog, 2018-08-28 The novelization of the highly anticipated God of War game His vengeance against the Gods of Olympus years behind him Kratos now lives as a man in the realm of Norse gods and monsters It is in this harsh unforgiving world that he must fight to survive and teach his son to do the same This startling reimagining of God of War deconstructs the core elements that defined the series satisfying combat breathtaking scale and a powerful narrative and fuses them anew

The Gods of War Donald J. LaRocca, Metropolitan Museum of Art (New York, N.Y.), 1996

The Gods of War Christopher Stasheff, Mike Resnick, Jody Lynn Nye, Katherine Kurtz, Diane Duane, Morris G. McGee, 1992-01-15 Perhaps it is not true that there will always be war Perhaps one day humanity will succeed in taming its savage nature so that peace for all humanity will not be merely a pious hope but a concrete reality Perhaps one day we will all be angels But until then there will be war and humanity being what it is will always form graven images to give life to its greatest hopes and fears Because our modern age is scientific does not make us immune to this reality And those images will always take on a life their own And lo there was TEK He is the latest in a long tradition of militant deities But before this god can take his rightful place at the head of the pantheon he has to survive the not so low tech efforts of jealous older gods to destroy him Featuring stories by Mike Resnick Jody Lynn Nye Katherine Kurtz Diane Duane and other great military SF storytellers At the publisher s request this title is sold without DRM Digital Rights Management

The Gods of War Meic Pearse, 2007-01-01 In this provocative book historian Meic Pearse debunks the common misconception that religion causes war He argues that while religion is often a significant generator of armed conflict both in the past and in the present the two principal causes of human warfare are in fact culture and greed for territory resources or power Since culture and greed often clothe themselves in religion wars fought for culture often appear to be fought for religion With keen analysis of global history and current events Pearse shows how irreligion has produced far bloodier wars than religion and how global secularism itself does violence to religion and traditional cultures Ultimately throughout history warfare has been waged over the shape of society itself A crisis in meaning leads people to fight for what they fear may be lost For a world weary of war Pearse points beyond both cultural and secular metanarratives to an alternative hope Market Audience Church leaders

Laypeople Evangelists and missionaries Seminary students and professors Features and Benefits Provides a global historical perspective on war religion and culture Evenhanded and broad in scope Examines both historical and contemporary examples

M. Barlog,2018-08-28 The novelization of the highly anticipated God of War game His vengeance against the Gods of Olympus years behind him Kratos now lives as a man in the realm of Norse gods and monsters It is in this harsh unforgiving world that he must fight to survive and teach his son to do the same This startling reimagining of God of War deconstructs the core elements that defined the series satisfying combat breathtaking scale and a powerful narrative and fuses them anew
