

The Golden Country

A Play about Martyrs in Japan

by Shusaku Endo

translated by Francis Mathy

The Golden Country A Play About Martyrs In Japan

A.B. Mitford

The Golden Country A Play About Martyrs In Japan:

Golden Country Shusaku Endo, 2012-01-09 The events described in this exciting and provocative three act play a companion piece to Endo's highly acclaimed novel *Silence* take place in 1633 nearly a hundred years after Christianity was introduced into Japan. By this time Japanese Christians were being cruelly persecuted by the government every Christian searched out was made to apostatize or suffer a slow agonizing death. The central character of *The Golden Country* is Father Christopher Ferreira a Portuguese Jesuit missionary. Given shelter by a Christian farming community everyone looks to him for help including one of his chief persecutors. When after cruel torture Father Ferreira apostatizes to the disbelief of his Japanese converts the play reaches a climax that is later capped only by the courage nobility and love of the martyrs. Father Francis Mathy's detailed Introduction to this tightly constructed drama which poses basic questions about the meaning of faith love and fate provides valuable historical background.

The Golden Country Shūsaku Endō, **The Samurai and the Cross** M. Antoni J. Üçerler, 2022 M. Antoni J. Uçerler examines how the Jesuit missionaries sought new ways to communicate their faith in an unfamiliar linguistic cultural and religious environment and how they sought to reinvent Christianity in the context of samurai Japan. Based on little known primary sources in various languages *The Samurai and the Cross* explores the moral and political debates over religion law and reason of state that took place on both the European and the Japanese side.

River with No Bridge Sue Sumii, 2011-12-27 *The River With No Bridge* Hashi no nai kawa explores with outspoken frankness a subject still taboo in Japan the intolerance and bigotry faced daily by Japan's largest minority group the burakumin. Racially no different from other Japanese over the centuries burakumin have been cruelly ostracized for their association with occupations considered defiling. Spanning the years 1908 to 1924 the original six volumes of this novel trace the developing awareness of burakumin of their rights and dignity as human beings. Volume 1 translated into English for the first time in 1990 is a story about childhood in a burakumin village. It tells of young Koji Hatana's questioning of the rigid social order and his growing sense of injustice as he meets prejudice from other children at school and from his teachers who try to instill in him their belief that since he was born defiled he should resign himself to his fate. Told against the backdrop of Japan's struggle to shed its feudalistic past and enter the modern age the novel is a courageous work and a compelling read.

The Jesuits and Globalization Thomas Banchoff, José Casanova, 2016-05-25 The Society of Jesus commonly known as the Jesuits is the most successful and enduring global missionary enterprise in history. Founded by Ignatius Loyola in 1540 the Jesuit order has preached the Gospel managed a vast educational network and shaped the Catholic Church society and politics in all corners of the earth. Rather than offering a global history of the Jesuits or a linear narrative of globalization Thomas Banchoff and Jos Casanova have assembled a multidisciplinary group of leading experts to explore what we can learn from the historical and contemporary experience of the Society of Jesus what do the Jesuits tell us about globalization and what can globalization tell us about the Jesuits. Contributors include comparative theologian Francis

X Clooney SJ historian John W O Malley SJ Brazilian theologian Maria Clara Lucchetti Bingemer and ethicist David Hollenbach SJ They focus on three critical themes global mission education and justice to examine the historical legacies and contemporary challenges Their insights contribute to a more critical and reflexive understanding of both the Jesuits history and of our contemporary human global condition Tales of Old Japan A.B. Mitford,2011-12-27 One of the first and in many ways still one of the best books on Japan The Japan Times First published in 1871 Tales of Old Japan has withstood the test of time and taken its place as one of the classic volumes of Japanese literature The book presents a broad cross section of Japanese prose historical tales like the famous story of the Forty seven Ronin nonfiction reporting on marriage funerals and the author s gory eyewitness account of hara kiri fairy tales and stories of superstition featuring vampire cats and magic foxes even three sermons written by a priest belonging to the Shingaku sect which professes to combine Buddhist Confucian and Shinto teachings The books thirty three chapters cover practically every sector of Japanese life Thirty one reproductions of woodblock prints illustrate the various tales and essays Author Robert Louis Stevenson cited Tales of Old Japan in his essay Books Which Have Influenced Me Over a hundred years have passed since Stevenson justly praised A B Mitford s book but his work remains an important and fascinating sourcebook on Japan and the Japanese Annual Review of English Books on Asia ,1974 **Silence and Beauty** Makoto Fujimura,2016-04-01 Internationally renowned artist Makoto Fujimura reflects on Shusaku Endo s novel Silence and grapples with the nature of art pain and culture Showing that light is yet present in darkness he uncovers deep layers of meaning in Japanese history and finds connections to how faith is lived in contexts of trauma *Kojiki* ,2012-06-19 Written by imperial command in the eighth century The Kojiki Records of Ancient Matters is Japan s classic of classics the oldest connected literary work and the fundamental scripture of Shinto A more factual history called the Nihongi or Nihon Shoki Chronicles of Japan was completed in A D 720 but The Kojiki remains the better known perhaps because of its special concern with the legends of the gods with the divine descent of the imperial family and with native Shinto Both works have immense value as records of the development of Japan into a unified state with a well defined character Indeed even the mythological aspects were accepted as fact throughout most of subsequent Japanese history until the defeat and disillusionment of the nation in 1945 This classic text is a key to the historical roots of the Japanese people their early life and the development of their character and institutions as well as a lively mixture of legend and history genealogy and poetry It stands as one of the greatest monuments of Japanese literature because it preserves more faithfully than any other book the mythology manners language and traditions of Japan It provides furthermore a vivid account of a nation in the making The work opens when chaos had begun to condense but force and form were not yet manifest and there was nought named nought done It recounts the mythological creation of Japan by the divine brother and sister Izanami and Izanagi tales of the Sun Goddess and other deities the divine origin of Jimmu the first emperor and the histories of subsequent reigns Epic material is complemented by a fresh bucolic vein expressed in songs and poetry

This famous translation by the British scholar Basil Hall Chamberlain is enhanced by notes on the text and an extensive introduction discussing early Japanese society as well as The Kojiki and its background Important for its wealth of information The Kojiki is indispensable to anyone interested in things Japanese *Asian Literature in English* George Lincoln Anderson, 1981

As recognized, adventure as capably as experience about lesson, amusement, as skillfully as deal can be gotten by just checking out a book **The Golden Country A Play About Martyrs In Japan** in addition to it is not directly done, you could tolerate even more on the order of this life, regarding the world.
