Rabel, 2025-04-15 This book sheds new light on the dramatic works of the American playwright poet and lyricist Maxwell Anderson assessing the pervasive influence of Greek and Roman antiquity on his plays

that dominated Broadway in the first half of the twentieth century Anderson is an important though often forgotten figure in the history of American drama and the Classical Tradition The book highlights Anderson s remarkably creative use of classical antiquity while also illustrating how he served as a first hand witness and reactor to some of the main social and political events of his time It explores Anderson s major theatrical works and adaptations of ancient Greek drama and poetry including *Winterset* *The Winged Victory* the never published *Ulysses Africanus* and *Bad Seed* as well as his later minor works Anderson found in tragedians such as Aeschylus Sophocles and Euripides ideal models for the dramatic portrayal of human emotion amidst the social and political backdrop of the United States from the interwar period to the nuclear age which this book seeks to explore at length for the first time This volume is of interest to students and scholars of Classical Reception and the Classical Tradition as well as those working on twentieth century American literature drama history and politics

The Golden Dragon Alf J. Mapp, 2014-08-18 King Alfred Everybody knows that he is called the Great but few remember why Forgetfulness is strange for few men have led lives so full of physical mental and spiritual adventure or influenced in so many ways the lives of people in every part of the globe *The Golden Dragon* is his fascinating and moving story told afresh with the aid of recent archaeological evidence and research in four languages Alfred s achievements have melted cynicism Gibbon called him the greatest of English kings Hume the greatest man in history Voltaire declared I know not whether there has ever been a man on earth worthier of posterity s respect When his kingdom was reduced to thirty acres he fought back with such courage and genius that he expelled the Viking invaders and made possible the saving of Western civilization His list of accomplishments is amazing transcendent diplomat Europe s greatest naval designer notable architect law giver founder of the oldest literary tradition in the Occident originator of a system of public education and producer of translations that have endured a thousand years The author s research led him to the conclusion that the ninth century English king was the superior of Charlemagne in almost every respect and indeed was one of the greatest geniuses Western civilization has ever produced Alfred s courage faith and temperance are enduring examples for modern men **Stoic Six Pack:**

Meditations of Marcus Aurelius The Golden Sayings Fragments and Discourses of Epictetus Letters from a Stoic and The Enchiridion Marcus Aurelius, Epictetus, Lucius Annaeus Seneca, 2015-10-05 **Stoic Six Pack** brings together the six essential texts of Stoic Philosophy *Meditations* by Marcus Aurelius *The Golden Sayings of Epictetus* *Fragments of Epictetus* *Selected Discourses of Epictetus* *Seneca s Letters from a Stoic* *Epistulae Morales Ad Lucilium* and *The Enchiridion* of Epictetus *In the Days of Jefferson, Or, The Six Golden Horseshoes* Hezekiah Butterworth, 1900 [The Cosmatesque](#)

[Mosaics of Westminster Abbey](#) Warwick Rodwell, David S. Neal, 2019-11-30 Westminster Abbey contains the only surviving medieval Cosmatesque mosaics outside Italy They comprise the Great Pavement in the sanctuary the pavement around the shrine of Edward the Confessor the saint s tomb and shrine Henry III s tomb the tomb of a royal child and some other pieces Surprisingly the mosaics have never before received detailed recording and analysis either individually or as an assemblage

The proposed publication in two volumes will present a holistic study of this outstanding group of monuments in their historical architectural and archaeological context The shrine of St Edward is a remarkable survival having been dismantled at the Dissolution and re erected incorrectly in 1557 under Queen Mary Large areas of missing mosaic were replaced with plaster on to which mosaic designs were carefully painted This 16th century fictive mosaic is unique in Britain Conservation of the sanctuary pavement was accompanied by full archaeological recording with every piece of mosaic decoration drawn and colored by David Neal phase plans have been prepared and stone by stone examination undertaken petrologically identifying and recording the locations of all the materials present It has revealed that both the pavements and tombs include a range of exotic stone types The Cosmati study has shed fresh light on every aspect of the unique series of monuments in Westminster Abbey this work will fill a major lacuna in our knowledge of 13th century English art of the first rank and will command international interest **The Connoisseur** ,1910 **The Golden Rule** ,1896
