Theater of Man J. A. Fernandez Santamaria, 1998 Born in Spain and long-time resident of Bruges Juan Luis Vives is one of the keenest and most neglected minds of the northern Renaissance A many-sided intellect and critical observer of the contemporary scene Vives' contribution includes treatises on metaphysics psychology education rhetoric logic religion and social reform And it is precisely the central premise of this monograph that what links these diverse works together and turns Vives' literary production into a whole larger than the sum of its parts is the author's single-minded commitment to the Socratic dictum that an unexamined life is not worth living But because man's Fall caused him to lose his pristine ability to accomplish that task as an individual he must now do it in the context of a God-mandated man-created institution society whose origins and evolution Vives explains in Stoic terms Building on a foundation of Socratic Aristotelian optimism and Augustinian pessimism he concludes that social man can indeed reach the bonitas which alone makes beatitude possible But at a price for Vives the Skeptic insists that man must

forego the use of that ratio speculativa which seduces him into thinking that he can probe into nature's being and understand his own divine nature

Medwar, 2023-12-08 *Emergency and the White Crystal* is a thriller that builds up chapter after chapter to the final end. The book shows how sometimes we are not safe by just calling nine one one. Many real heroes put their lives on the line in the police fire and EMS. The main character Jack Winner just graduated from Emergency Medical Technicians training school. He is ready for the real world in the EMS. Jack lives alone in a second floor apartment above Elenora Dunn, a sweet old woman. His girlfriend Melanie Straight has been a longtime partner and lover since high school. Her mother Deidra Straight is the emergency room head nurse at the Jem City General Hospital. Her father John works in a warehouse down by the waterfront docks. Jack and Melanie's nights out for fun are few but they manage to enjoy their times at Alley Burger restaurant. Jack starts his new job the following day as an EMT on the city ambulances. He meets his co-workers: First Roy the dispatcher, his new partner Mike Zaber, and Captain Jim Hawker, their operational manager. Jack breaks into the EMS as he learns more and more about life and death. Jack and Mike became a tight crew and one of the best in the city for saving lives. One day an illegal drug lab blew up in a horrific chemical explosion causing a deadly warehouse fire killing the cooks who manufactured meth amphetamines. Street named WHITE CRYSTAL. Frankie and Lasalle Sabelly brothers who oversaw the Cartel operation blamed the EMS people for not saving their people's lives. They claimed restitution against the law and EMS. Jack and Mike happened to be number one on the mob hit list. At the safe house the East Coast cartel mobsters had a meeting to scheme and plan their hits. Jack and Melanie's futures were put on hold as the couple fell as helpless victims to the Cartel. They were kidnapped and ransomed for a huge sum of money or death would be inevitable. Detective Glen Delayo and Detective Brian Leman, Jem City's finest, were put into action to solve this problem. The city was in total turmoil and fear over the mob's claim of retaliation against the authorities. The question was: Who would be next on the mob's list.
