Forty Ben Contella, 2012-04 We all seem to experience a moment in our life that brings back some sort of memory that makes you reflect on that time This book is that type of book where I reflect on moments in my life that I felt were important to write about Life has so many choices or decisions that sometimes you think back about some of them that were made or were not made Think back to your favorite song place to go or just things you used to do when you were growing up How does it make you feel when you think about them now Think about the first time you had to deal with adversity where things didn't go so well That is what life is all about and I wanted to put mine in a book I am just like everyone in this world trying to make a difference in one way or another When you read this book realize that we all have a story to tell you just have to be willing to tell it We tell our stories everyday whether it is at the dinner table out with friends or to help your children deal with the growing pains as you did years earlier What I hope you take from this story is that you can learn laugh or just relate from some of my experiences
