The Gift Of Reconciliation:

The Gifts of the Holy Spirit Dr. Daryl B. Brock, 2021-07-26 Today God's overall plan for the church aligns us with His purpose and plan for the manifestation of the son of God To destroy the works of the devil 1 John 3:8 This book The Gifts of the Holy Spirit To Destroy the Works of the Devil is about God's path for our lives to the church and purpose for our lives within the church Devil simply means liar All Satan's machinations strategies atrocities and crimes are built on his lies however and whenever they are manifested The manifestation of God's truth in our lives vigorously counteracts the works of the liar God's truth heals the devastating effects that these lies have had on us personally our communities and our society at large More than just a transmission of confusing facts and figures to let you know how smart I am this book takes the truth of God's Word and helps you connect the dots with the intention of painting a clearer picture of your purpose in Christ as a son of God and therefore the purpose of the Christ in you The resulting portrait allows the reader to align our Christlike responsibility to work with God with our Holy Ghost given gifts abilities and opportunities to motivate positive personal changes but also collectively as sons of God dynamic changes in our society indeed the world *The gift of life* J.M. Vorster, 2021 The concept human life and what it entails have become a prominent idea in current theological ethical discourses especially in the growing Christian reflection on bioethics eco ethics and social justice Contemporary Christian ethicists focus on concepts such as flourishing life happiness and joy and how these deep human desires can be realised and fulfilled in life today amidst perennial surges of racism xenophobia sexism systemic violence and policies and structures which further poverty and other forms of social injustices Christian soteriology and subsequent moral agency grapples with the question How can humans flourish in societies today and how should Christian morality be defined and designed to be instrumental in the current pursuit of happiness joy and hope This publication aims to participate in this modern day discourse by proposing relevant theological perspectives on the concept of life and in particular its relevance for Christians living in this age and in an environment that poses major challenges to public morality and the common good In conjunction with the emerging theological interest in the concept of life this project is a modest attempt to take part in the advancement of an ethic of life for today under the rubric of an ethic of flourishing personhood The point of departure is the biblical concept of the gift of life and what this gift entails for understanding human life personhood and moral agency today The line of reasoning in this book delineates the broad concept ethic of life and the biblical concept gift of life and draws the line towards an ethic of flourishing personhood The central theoretical argument of the study is that reformed theology can give direction to the contemporary theological search for meaning and purpose of human life and offer answers to the questions on life facing humanity today especially by pursuing the idea of flourishing personhood **The Gift of Jesus** Johnny Hunt, 2016-11-08 The Gift of Jesus is a thoroughly trustworthy and inspiring devotional focused on the amazing gift of Jesus and what that means in our daily lives It was created and written by General Editor Johnny Hunt former president of the
