The Gilded Age Letters Of E L Godkin:

The gilded age letters of E.L. Godkin Edwin Lawrence Godkin,1974 **The Gilded Age Letters of E.L. Godkin** William M. Armstrong,1974-06-30 Born in Ireland in 1831 journalist E L Godkin is most famous as the first editor of the Nation The letters most of which have never before been published are arranged chronologically from 1859 to 1902 The gilded age letters of E.L. Godkin, ed Edwin Lawrence Godkin,William M. Armstrong, **E. L. Godkin** William M. Armstrong,1978-01-01 This is the only biography of Godkin published since 1907 when the Godkin family commissioned such a work Numerous leaders of the Gilded Age are introduced and their relationships to Godkin are explored Godkin s accuracy as a journalist through his Nation is completely evaluated **The Politics of Prohibition** Lisa M. F. Andersen,2013-09-09 This book introduces the intrepid temperance advocates who formed America s longest living minor political party the Prohibition Party drawing on the party s history to illuminate how American politics came to exclude minor parties from governance Lisa M F Andersen traces the influence of pressure groups and ballot reforms arguing that these innovations created a threshold for organization and maintenance that required extraordinary financial and personal resources from parties already lacking in both More than most other minor parties the Prohibition Party resisted an encroaching Democratic Republican stranglehold over governance When Prohibitionists found themselves excluded from elections they devised a variety of tactics they occupied saloons pressed lawsuits forged utopian communities and organized dry consumers to solicit alcohol free products Contraband Andrew Wender Cohen,2015-08-17 How skirting the law once defined America s relation to the world In the frigid winter of 1875 Charles L Lawrence made international headlines when he was arrested for smuggling silk worth 60 million into the United States An intimate of Boss Tweed gloriously dubbed The Prince of Smugglers and the head of a network spanning four continents and lasting half a decade Lawrence scandalized a nation whose founders themselves had once dabbled in contraband Since the Revolution itself smuggling had tested the patriotism of the American people Distrusting foreign goods Congress instituted high tariffs on most imports Protecting the nation was the custom house which waged a war on smuggling inspecting every traveler for illicitly imported silk opium tobacco sugar diamonds and art The Civil War s blockade of the Confederacy heightened the obsession with contraband but smuggling entered its prime during the Gilded Age when characters like assassin Louis Bial economist The Parsee Merchant Congressman Ben Butler and actress Rose Eytinge tempted consumers with illicit foreign luxuries Only as the United States became a global power with World War I did smuggling lose its scurvy romance Meticulously researched Contraband explores the history of smuggling to illuminate the broader history of the United States its power its politics and its culture *The Great Tradition* Anthony Brundage,Richard A. Cosgrove,2007 This book examines the prominent role played by constitutional history from 1870 to 1960 in the creation of a positive sense of identity for Britain and the United States *Mugwumps* David M. Tucker,1998 A spirited reevaluation of the public moralists who shaped public policy in nineteenth century America

Mugwumps Public Moralists of the Gilded Age provides a refreshing look at a group of Americans whose importance to the history of our country has commonly been dismissed. A public interest group that labeled the generation following the American Civil War as the Gilded Age, Mugwumps were college educated individuals who lived the lessons of their moral philosophy: Christian values, republican virtue, and classical liberalism. Tracing Mugwump values back before the term was commonly used, Tucker defines these liberals as benevolent and altruistic active campaigners against slavery and imperialism and for sound money, lower tariffs, and civil service reform. The earliest Mugwumps took on the self assigned task of advocating public principles over private interests. Evaluations of these public moralists during the 1950s and 1960s, however, did not paint the Mugwumps in so positive a light. Awash in the popular New Deal public policies that advocated positive government intervention and regulation in the economy, these studies dismissed Mugwump liberalism as outdated. More specifically, the reformers were criticized as being self interested failures. Tucker obliges readers to look beyond such dismissals to the history and accomplishments of Mugwumps as a whole. Unlike previous historians, Tucker examines the antebellum roots of the Mugwumps and follows their ever increasing participation in American government throughout the nineteenth century. Tucker portrays Mugwumps not as selfish agents of the middle class but as fascinating practitioners of eighteenth century public virtue and nineteenth century social science. This book forcefully challenges previous studies on the Mugwumps and restores these public moralists to the mainstream of nineteenth century American history. Their concerns for morality and free market economics are again fashionable in contemporary politics and deserving of fresh attention from both the general reader and the scholar. Rum, Romanism, and Rebellion Mark Wahlgren Summers, 2003-08-15

The presidential election of 1884, in which Grover Cleveland ended the Democrats' twenty four year presidential drought by defeating Republican challenger James G. Blaine, was one of the gaudiest in American history, remembered today less for its political significance than for the mudslinging and slander that characterized the campaign. But a closer look at the infamous election reveals far more complexity than previous stereotypes allowed. Argues Mark Summers, Behind all the mud and malarkey he says lay a world of issues and consequences. Summers suggests that both Democrats and Republicans sensed a political system breaking apart or perhaps a new political order forming as voters began to drift away from voting by party affiliation toward voting according to a candidate's stand on specific issues. Mudslinging then was done not for public entertainment but to tear away or confirm votes that seemed in doubt. Uncovering the issues that really powered the election and stripping away the myths that still surround it, Summers uses the election of 1884 to challenge many of our preconceptions about Gilded Age politics. **Henry James: The Young Master** Sheldon M. Novick, 2011-07-27

As if Henry James himself were guiding us, we visit old Calvinist New York in the mid nineteenth century and share the coming of age of a young man whose boldness of spirit and profound capacity for affection attract both men and women to him. We journey with James through Italy and France, witness his first love affair in Paris, and settle with him in London at the height of Empire in

the Victorian Age We scale the heights of London society with him and as the world opens to James we share with him the experience of writing a series of celebrated and successful novels culminating with Washington Square on which the play The Heiress is based and his masterpiece The Portrait of a Lady The Washington Post Book World notes It is no small ambition to write a biography of James that is commensurate with that master and Sheldon Novick has done it Splendidly written Novick has aimed to bring James back to life and he has succeeded brilliantly The Washington Post Book World Like a movie of James s life as it unfold moment to moment The New York Times Masterful in bringing James and his world to life San Francisco Examiner Chronicle Beautifully written with a grace that enables Sheldon Novick to weave his subject s words in and out of his own with a properly Jamesian suavity Novick s account gives one a profound respect for James s persistence and power of will The New Republic NOTE This edition does not include a photo insert

Right here, we have countless books **The Gilded Age Letters Of E L Godkin** and collections to check out. We additionally present variant types and in addition to type of the books to browse. The enjoyable book, fiction, history, novel, scientific research, as well as various additional sorts of books are readily easy to get to here.
