The Girl At Snowy River:

The Girl from Snowy River (The Matilda Saga, #2) Jackie French, 2012-12-01 In the tradition of *The Man from Snowy River* comes a gripping and courageous sequel to *A Waltz for Matilda*. The year is 1919. Thirty years have passed since the man from Snowy River made his famous ride. But World War I still casts its shadow across a valley in the heart of Australia, particularly for orphaned sixteen year old Flinty McAlpine who lost a brother when the Snowy River men marched away to war. Why has the man Flinty loves returned from the war so changed and distant? Why has her brother Andy gone with cattle leaving Flinty in charge of their younger brother and sister and with the threat of eviction from the farm she loves so dearly? A brumby muster held under the watchful eye of the legendary Clancy of the Overflow offers hope. Now Flinty must ride to save her farm, her family and the valley she loves. Set among the landscapes of the great poems of Australia, this book is a love song to the Snowy Mountains and a tribute to Australia's poets who immortalised so much of our land. *The Girl from Snowy River* combines passion, heartbreak, history and an enduring love and rich understanding of our land. PRAISE FOR A WALTZ FOR MATILDA: this absorbing saga abounds in social and historical detail. Magpies **The Girl at Snowy River** Joyce

Dingwell, 1975 **The Routledge Companion to Australian Literature** Jessica Gildersleeve, 2020-12-22 In recent years Australian literature has experienced a revival of interest both domestically and internationally. The increasing prominence of work by writers like Christos Tsiolkas heightened through television and film adaptation as well as the award of major international prizes to writers like Richard Flanagan and the development of new high profile prizes like the Stella Prize have all reinvigorated interest in Australian literature both at home and abroad. This Companion emerges as a part of that reinvigoration, considering anew the history and development of Australian literature and its key themes as well as tracing the transition of the field through those critical debates. It considers works of Australian literature on their own terms as well as positioning them in their critical and historical context and their ethical and interactive position in the public and private spheres. With an emphasis on literature's responsibilities, this book claims Australian literary studies as a field uniquely positioned to expose the ways in which literature engages with, produces and is produced by its context, provoking a critical re-evaluation of the concept of the relationship between national literatures, cultures and histories and the social function of literary texts. *The Man from Snowy River* Andrew Barton Paterson, 2022-03-14

The Man from Snowy River is a poem by Australian bush poet Banjo Paterson. It was first published in *The Bulletin*, an Australian news magazine, on 26 April 1890 and was published by Angus Robertson in October 1895 with other poems by Paterson in *The Man from Snowy River and Other Verses*. The poem tells the story of a horseback pursuit to recapture the colt of a prizewinning racehorse that escaped from its paddock and is living with the brumbies (wild horses) of the mountain ranges. Eventually the brumbies descend a seemingly impassable steep slope at which point the assembled riders give up the pursuit except the young protagonist who spurs his pony (small horse) down the terrible descent and catches the mob. Two characters mentioned in the early part of the poem are
