The Glory Of Light:

Daily Light on the Daily Path Various Authors, 2010-05-18 This is probably the most widely read collection of daily readings from the Bible ever published and it is presented in this edition in the words of The New International Version North American Edition For three generations *Daily Light on the Daily Path* has been a classic religious work and it has gone through a countless number of printings It was compiled by the descendants of the London bookseller Samuel Bagster Bagster's grandson Robert who died in 1924 wrote of the origins of this book *Daily Light on the Daily Path* was prepared entirely within the family Few are able to appreciate the heart searching care with which every text was selected the days nay the weeks of changes alterations and improvements until at last each page was passed to the printer Here are two selections of Bible readings for every day in the year for Morning and Evening *Beauty* Natalie Carnes, 2014-11-13 *Beauty* engages fourth century bishop Gregory of Nyssa to address beauty's place in theology and the broader world With the recent resurgence of attention to beauty among theologians questions still remain about what exactly beauty is how it is perceived and whether we should celebrate its return If beauty fell out of favor because it was seen to distract from the weightier concerns of poverty and suffering because it can even be a tool of oppression why should we laud it now Gregory's writings offer surprisingly rich and relevant reflections that can move contemporary conversations beyond current impasses and critiques of beauty Drawing Gregory into conversation with such disparate voices as novelist J M Coetzee and art theorist Kaja Silverman *Beauty* displays the importance of beauty to theology and theology to beauty in a discussion that bridges ancient and modern practical and theoretical secular and religious *The Entire Works of John Bunyan ... Edited, with Original Introductions, Notes, and a Memoir of the Author, by Henry Stebbing ... Illustrated with Engravings, Etc* John Bunyan, 1859 *ColossianNotes* Greg Hinnant, 2024-05-18 Bible teacher and author Greg Hinnant is noted for his passionate and precise handling of the Scriptures In *ColossianNotes* as in his other Bible commentaries he meticulously brings to light the layers of eternal truth found in Paul's letter to the Christians at Colosse Many of the apostle's themes are of critical importance today Paul deeply loved the Colossians and implored them to stand fast against the encroachment of prevailing heresies that threatened the purity of their faith He urged them to focus on the preeminence of Christ and above all worldly issues hold the hope of heaven in their hearts and minds An excellent companion to the biblical text this commentary will not only broaden your understanding of Paul's epistle but also reveal its surprising relevance to Christians lives today Pastors teachers and students will find this a very valuable and useful resource *Christ the Light* David L. Whidden (III), 2014 In *Christ the Light* Whidden argues that illumination is a critical systematic motif in Aquinas theology one that involves the nature of truth knowledge and God at the root Aquinas theology of light or illumination is Christological grounding human knowledge of God and eschatological beatitude This volume establishes the theological network formed by the crucial motif of light illumination in Aquinas from how theology operates to the systematic sacramental and moral coordinates in Aquinas
