The Golden Age Spain Studies In European History:

Golden Age Spain Henry Kamen, 2005-03-02 Was the Golden Age of Spain in the sixteenth century an illusion By introducing and examining some of the key issues and themes involved Henry Kamen offers a balanced discussion of this question The second edition of this book has been thoroughly revised and rewritten in the light of recent research while new chapters have been added which cover such material as religion and culture *Golden Age Spain* Henry Kamen, 2004-10-28 For over a century Spain controlled the greatest empire the world had ever seen and its collapse provoked both then as it does now a range of analyses over which there has been little agreement In the second edition of this successful text Henry Kamen asks was the Golden Age of Spain in the 16th century actually an illusion By examining some of the key issues involved Kamen offers a balanced discussion of this fundamental question *Golden Age Spain* Offers a concise introduction to the major themes and debates Is now thoroughly revised and updated in the light of the latest research Contains new chapters which cover such topics as culture and religion Highlights key issues and questions at the start of each chapter Includes a helpful glossary and an expanded bibliography to aid further study Approachable and easy to follow this text is essential reading for anyone with an interest in one of the most fascinating periods of Spanish history **Art History and**

Visual Studies in Europe Matthew Rampley, Thierry Lenain, Hubert Locher, 2012-06-22 This book undertakes a critical survey of art history across Europe examining the recent conceptual and methodological concerns informing the discipline as well as the political social and ideological factors that have shaped its development in specific national contexts The Unheard Voice of Law in Bartolomé de Las Casas's Brevísima Relación de la Destrucción de las Indias David T. Orrique, 2021-04-13 The Unheard Voice of Law in Bartolomé de las Casas's Brevísima relación de la destrucción de las Indias reinterprets Las Casas's controversial treatise as a legal document whose legal character is linked to civil and ecclesial genres of the Early Modern and late Renaissance juridical tradition Bartolomé de las Casas proclaimed I have labored to inquire about study and discern the law I have plumbed the depths and have reached the headwaters The Unheard Voice also plumbs the depths of Las Casas's voice of law in his widely read and highly controversial Brevísima relación a legal document published and debated since the 16th century This original reinterpretation of his Very Brief Account uncovers the juridical approach voiced in his defense of the Indigenous peoples of the Americas The Unheard Voice innovatively asserts that the Brevísima relación's legal character is intimately linked to civil and ecclesial genres of the late Renaissance juridical tradition This paradigm shifting book contextualizes the formation of Las Casas's juridical voice in canon law and theology initially as a secular cleric subsequently as a Dominican friar and finally as a diocesan bishop and demonstrates how his experienced juridical voice fought for justice in trans Atlantic debates about Indigenous peoples' level of humanity religious freedom enslavement and conquest Reaching the headwaters of Las Casas's hitherto unheard juridical voice of law in the Brevísima relación provides readers with a previously unheard interpretation an appealing voice for readers and students of this

powerful Early Modern text that still resonates today The Unheard Voice of Law is a valuable companion text for many in the disciplines of literature history theology law and philosophy who read Bartolom de las Casas s Very Brief Account and study his life labor and legacy *Spanish Women in the Golden Age* Alain Saint-Saens, Magdalen Sánchez, 1996-02-13 The history of women in early modern Spain is a largely untapped field This book opens the field substantially by examining the position of women in religious political literary and economic life Drawing on both historical and literary approaches the contributors challenge the portrait of Spanish women as passive and marginalized showing that despite forces working to exclude them women in Golden Age Spain influenced religious life and politics and made vital contributions to economic and cultural life The contributors seek to incorporate the study of Spanish women into the current work on literary criticism and on the intersection of private and public spheres The authors integrate women into subfields of Spanish history and literature such as Inquisition studies the Spanish monarchy Spain s economic and political decline and Golden Age drama The essays demonstrate the necessity and value of incorporating women into the study of Golden Age Spain

The Communal Age in Western Europe, c.1100-1800 Beat Kümin, 2013-05-24 An essential introductory survey of the towns villages and parishes in which people lived in the medieval and early modern periods Beat Kumin assesses the similarities differences and the wider significance of these communities for European society prior to 1800

Eurocentrism in European History and Memory Marjet Brolsma, Robin Bruin, Matthijs Lok, 2025-10-01 Eurocentrism means seeing the world in Europe s terms and through European eyes This may not be unreasonable for Europeans but there are unforeseen consequences Eurocentric history implies that a scientific modernity has diffused out from Europe to benefit the rest of the world through colonies and development aid It involves the imposition of European norms on places and times where they are often quite inappropriate In Eurocentrism in European History and Memory well known scholars explore and critically analyse manifestations of Eurocentrism in representations of the European past from different disciplines history literature art memory and cultural policy as well as from different geographical perspectives The book investigates the role imaginings of the European past since the eighteenth century played in the construction of a Europeanist worldview and the ways in which Europe was constructed in literature and art

European Imperialism, 1860-1914 Andrew Porter, 2016-01-11 This study surveys the growth of European intervention outside Europe between 1860 and 1914 It treats its subject imperialism as a process of increasing contact influence and control rather than as the nature and consequences of colonial rule The problems of defining imperialism are considered alongside various analytical approaches to the term In examining the controversial historiographical literature surrounding this subject the book criticises particular explanations and introduces readers to some of the new directions in research and inquiry currently being explored by historians

The Formation of the First German Nation-State, 1800-1871 John Breuilly, 1996-11-11 Many accounts of German unification focus on war diplomacy and Bismarck and on the crucial ten years up to 1871 John Breuilly in addition to paying attention to those issues extends the

analysis back to 1800 He also takes into account social economic and cultural developments bringing to the reader s attention recent research much of it in German In particular the book argues that one should see unification as just one possible outcome of the German situation the result of rapid shifts in the relative power of different European states and of underlying changes which made nationality a more vital force in politics **The Yugoslav Wars of the 1990s** Catherine Baker,2015-07-30 Catherine Baker offers an up to date balanced and concise introductory account of the Yugoslav wars of the 1990s and their aftermath The volume incorporates the latest research showing how the state of the field has evolved and guides students through the existing literature topics and debates
