Six Centuries of the Provincial Book Trade in Britain Peter C. G. Isaac,1990 *Six Centuries of Provincial Trade in Britain* Peter C. G. Isaac,1990 *The Oxford Handbook of the History of the Book in Early Modern England* Adam Smyth,2023-09-05 The Oxford Handbook of the History of the Book in Early Modern England provides a rich imaginative and also accessible guide to the latest research in one of the most exciting areas of early modern studies Written by scholars working at the cutting edge of the subject from the UK and North America the volume considers the production reception circulation consumption destruction loss modification recycling and conservation of books from different disciplinary perspectives Each chapter discusses in a lively manner the nature and role of the book in early modern England as well as offering critical insights on how we talk about the history of the book On finishing the Handbook the reader will not only know much more about the early modern book but will also have a strong sense of how and why the book as an object has been studied and the scope for the development of the field *The Business of News in England, 1760-1820* Victoria E. M. Gardner,2016-01-26 The Business of News in England 1760 1820 explores the commerce of the English press during a critical period of press politicization as the nation confronted foreign wars and revolutions that disrupted domestic governance Government and Community in the English Provinces, 1700-1870 David Eastwood,1997-06-09 In this bold and original study David Eastwood offers a reinterpretation of politics and public life in provincial England He explores the ways in which power was exercised and reconstructs the social and cultural foundations of political authority in provincial England Professor Eastwood demonstrates the crucial role played by local elites in policy making and shows how English public institutions and political culture can only be understood in terms of the long run development of the English state

The Oxford History of the Irish Book, Volume IV James H. Murphy,2011-09 Volume IV The Irish Book in English 1800 1891 details the story of the book in Ireland during the nineteenth century when Ireland was integrated into the United Kingdom The chapters in this volume explore book production and distribution and the differing of ways in which publishing existed in Dublin Belfast and the provinces **The Production of Books in England 1350-1500** Alexandra Gillespie,Daniel Wakelin,2011-04-14 This book studies approaches to the production of manuscripts in medieval England from the first commercial guilds to the advent of print *The Oxford History of the Irish Book, Volume III* Raymond Gillespie,Andrew Hadfield,2006-02-02 The Oxford History of the Irish Book is a major new series that charts the development of the book in Ireland from its origins within an early medieval manuscript culture to its current incarnation alongside the rise of digital media in the twenty first century Volume III The Irish Book in English 1550 1800 contains a series of groundbreaking essays that seek to explain the fortunes of printed word from the early Renaissance to the end of the eighteenth century The essays in section one explain the development of print culture in the period from its first incarnation in the small area of the English Pale around Dublin dominated by the interests of the English authorities to the more

widespread dispersal of the printing press at the close of the eighteenth century when provincial presses developed their own character and style either alongside or as a challenge to the dominant intellectual culture Section two explains the crucial developments in the structure and technical innovation of the print trade the role played by private and public collections of books and the evidence of changing reading practices throughout the period The third and longest section explores the impact of the rise of print Essays examine the effect that the printed book had on religious and political life in Ireland providing a case study of the impact of the French Revolution on pamphlets and propaganda in Ireland the transformations illustrated in the history of historical writing as well as in literature and the theatre through the publication of play texts for a wide audience Others explore the impact that print had on the history of science and the production of foreign language books The volume concludes with an authoritative bibliographical essay outlining the sources that exist for the study of the book in early modern Ireland This is an authoritative volume with essays by key scholars that will be the standard guide for many years to come The Oxford Handbook of Chaucer Suzanne Conklin Akbari, James Simpson, 2020 This Handbook addresses Chaucer's poetry in the context of several disciplines including late medieval philosophy and science Mediterranean culture comparative European literature vernacular theology and popular devotion The Cambridge Companion to Medieval British Manuscripts Orietta Da Rold, Elaine Treharne, 2020-12-17 Explains the methods and knowledge required to understand how why and for whom manuscripts were made in medieval Britain
