Skating Figure Skating Curling Toboggani:

Lake Placid Figure Skating Christie Sausa, 2012-08-07 Figure skating has always had an important home in Lake Placid. Early on the Sno Birds popularized this summer retreat and Melville and Godfrey Dewey won the campaign for the 1932 Winter Olympics. The Skating Club of Lake Placid was formed and after 1932 famous skaters trained here with legendary coach Gus Lussi. When Lake Placid again hosted the Olympics in 1980 skating dominated with state of the art facilities that have continued to be used by stars like Dorothy Hamill and Sarah Hughes and helped give rise to Scott Hamilton's Stars on Ice. For more than one hundred years the Lake Placid community has worked together to support figure skating and skaters in this quiet Adirondack village. Local expert Christie Sausa tells this exciting story. **Skating**, by J.M. Heathcote and C.G. Tebbutt. **Figure-skating**, by T.M. Witham. **With contrib. on curling [by] J. A. Simpson, 2000 Stearns County is situated just south of the geographic center of Minnesota on the west side of the mighty Mississippi River. Established in 1855 a region virtually untouched by the white man it could claim all the trappings of civilization in less than a generation. Drawing from over 180 photographs and postcards from both private and public collections Lee Simpson explores the rise of European civilization in the county from the 1870s to the present. This book offers a unique glimpse into the people and places of Stearns County and is a visual history of daily life in the county that emphasizes the experiences of the average citizen. Included are vintage photographs of St Cloud Fair Haven Albany Paynesville Collegeville Waite Park Rockville and St Joseph that depict the growth of the downtown business districts resorts granite quarries schools and churches which provided the bedrock of community for each town or city. From its founding as an almost exclusive community of German Catholics to its present as a region struggling with issues of diversity the history of Stearns County offers all of us a glimpse of the American experience. *Publishers' Weekly*, 1893 **Annual American Catalogue, 1892-94**, 1893 **The Annual American Catalogue 1886-1900**, 1893 *The Annual American Catalogue*, 1893 **The Publishers Weekly**, 1893 *Switzerland, Together with Chamonix and the Italian Lakes* Karl Baedeker (Firm), 1922 *The Sphere*, 1907 *Catalogue* Maggs Bros, 1897 **The Best Books: H, Natural science. levels Sport potentially can teach character as well as social and moral values but only when these positive concepts are consistently taught modeled and reinforced by sport leaders with the moral courage to do so The seeming moral crisis threatening amateur and youth sport evidenced by athletes coaches and parents alike making poor ethical choices and ongoing scandals regarding performance enhancing drug use by professional athletes make sports ethics a topic of great concern This work enables readers to better understand the ethical challenges facing competitive sport by addressing issues such as gamesmanship doping cheating sportsmanship fair play and respect for the game A compelling read for coaches sport administrators players parents and sport fans the book examines specific examples of unethical behaviors many cases of which occur in amateur and educational sports to illustrate how these incidents threaten the perception that sport builds character It identifies and investigates the multiple reasons for cheating in sport such as the fact that the rewards for succeeding are so high and the feeling of athletes that they must behave as they do to level the playing field because everyone else is cheating being violent taking performance enhancing drugs or doing whatever it takes to win Readers will gain insight into how coaches and sport administrators can achieve the goals for youth interscholastic intercollegiate and Olympic sport by stressing moral values and character development as well as see how specific recommendations can help ensure that sport can serve to build character rather than teach bad behavior in the pursuit of victory
