Lyrical Ballads two collections of poems by William Wordsworth and Samuel Taylor Coleridge are generally considered to have marked the beginning of the English Romantic movement in literature The immediate effect on critics was modest but they became and remain a landmark changing the course of English literature and poetry Most of the poems in the 1798 edition were written by Wordsworth with Coleridge contributing only five poems to the collection including one of his most famous works *The Rime of the Ancient Mariner* A second edition was published in 1800 in which Wordsworth included additional poems and a preface detailing the pair's avowed poetical principles Samuel Taylor Coleridge 1772-1834 was an English poet literary critic and philosopher who with his friend William Wordsworth was a founder of the Romantic Movement in England and a member of the Lake Poets He wrote the poems *The Rime of the Ancient Mariner* and *Kubla Khan* as well as the major prose work *Biographia Literaria* William Wordsworth 1770-1850 was a major English Romantic poet who with Samuel Taylor Coleridge helped to launch the Romantic Age in English literature with their joint publication *Lyrical Ballads* 1798

Table of Contents *Anima Poetae* By Samuel Taylor Coleridge *Essays, Letters and Notes about the Principles of Poetry* By William Wordsworth *LYRICAL BALLADS WITH A FEW OTHER POEMS* 1798 *LYRICAL BALLADS WITH OTHER POEMS* 1800 *Vienna Blood & Other Poems* Jerome Rothenberg, 1980 *Vienna Blood* *Other Poems* is in some ways the most synthesizing of Jerome Rothenberg's recent collections pulling together work from the 1970s that stands apart from *Poland* 1931 1974 and *A Seneca Journal* 1978 yet at the same time continuing the enactment of past and present begun in those books But where before he chose to restrict his exploration to ancestral Jewish and Amerindian poetries Rothenberg now takes us on a series of broader journeys through the collapsed landscape of what he calls the new wilderness evoked as place as structure as mind Written both to be read quietly on the printed page and aloud in performance the poems in *Vienna Blood* though experimental and language centered are nevertheless the work of a poet who by his own admission is crazy for content make no mistake about it As if to underscore this point he has appended brief comments to most of the major sections of the book in order as he says to give it some context in the way of oral tradition usually reserved for poetry readings etc a little of which I now commit to writing

**a Year & other poems** Jos Charles, 2022-03-15 From the celebrated author of *feeld* comes a formally commanding third collection dexterously recounting the survival of a period suffused with mourning Jos Charles's poems communicate with one another as neurons do sharp charged in language that predates language A scandal three cartons red in a hedge in each the thousand eye research of flies With acute lyricism she documents how a person endures seemingly relentless devastation California wildfires despotic legislation housing insecurity

amid illusions of safety I wanted to believe Charles declares a corner a print leaned to a corner can save a people Still the house falls apart Death visits and lingers Belief proves again and again that belief alone is not enough Yet miraculously one might still manage to seek propelled by love or hope or sometimes only momentum something better There is a place where there are no futile longings no persistent institutional threats to one's life Poems might take us there tenderness too as long as we can manage to keep moving A current gives as much as it has writes Charles despite fire despite loss Harrowing and gorgeous a Year other poems is an astonishing new collection from a poet of unusual beauty and lyricism New Yorker
