**Mats Roslund**

## Slavic Excursions:

*Slavic Excursions* Donald Davie, 1990-06-11      *Translation and Literature 1* Stuart Gillespie, 2019-07-30 This is an issue of our journal *Translation and Literature*      *The American Bibliography of Slavic and East European Studies* Patt Leonard, Rebecca Routh, 2020-02-27 This bibliography first published in 1957 provides citations to North American academic literature on Europe Central Europe the Balkans the Baltic States and the former Soviet Union Organised by discipline it covers the arts humanities social sciences life sciences and technology      **Guests in the House** Mats Roslund, 2007-09-30 Mats Roslund discusses the presence of Slavic visitors in the area corresponding to modern Sweden during the period 900 1300 AD Ethnic and cultural identity are seen through the reproduction of a Slav style in every day pottery The interpretation is preceded by an introduction to Slav archaeology and cultural identity expressed in material culture The focus is on a pottery type called Baltic ware Baltic ware has traditionally been regarded as a purely Slavic product reaching Scandinavia through trade and free moving artisans or as a result of co operation between Slavic and Scandinavian potters The aim of the book is to capture the dynamics in the interaction to distinguish regional differences between the two traditions and present a contextual interpretation      **Virginia Woolf and the Russian Point of View** R. Rubenstein, 2009-09-14 This book brings together Virginia Woolf's essays and book reviews on Russian literature her unpublished reading notes on Tolstoy Dostoevsky Chekhov and Turgenev and new and insightful scholarly commentary concerning her response to each of the major Russian writers      *Russian Writers and the Fin de Siècle* Katherine Bowers, Ani Kokobobo, 2015-06-17 An essay collection that explores Russian literature and culture in relation to the late nineteenth century fin de siècle      *Treny* Jan Kochanowski, 2017-12-02 Renaissance artists and poets readily commemorated the lives of the great but rarely mourned a child who could not even claim noble birth Yet the sixteenth century masterpiece *Treny* stems from the Polish poet Jan Kochanowski's intense grief over the death of his little daughter Orszula a delightful radiant extraordinary child who died before she was three The laments stand as Kochanowski's crowning achievement and the first Polish work to equal the great poems of western Europe In a cycle by turn reflective despairing and finally hesitantly accepting a father evokes the unfulfilled promise of a life tragically cut short The work's disarming simplicity and enduring passion supported by an intellectually impressive structure are fully realized in translation by Adam Czerniawski the distinguished contemporary Polish poet The English translation is accompanied by the original Polish text edited by Renaissance scholar Piotr Wilczek and with a foreword by Donald Davie This important edition will prove of value to scholars and teachers of Slavonic literature and to all lovers of poetry      *Transnational Russian Studies* Andy Byford, Connor Doak, Stephen Hutchings, 2020-02-07 This book focuses on how Russia has perpetually redefined Russianness in reaction to the wider world Treating culture as an expanding field it offers original case studies in Russia's imperial entanglements the life of things Russian including the language beyond the nation's boundaries and Russia's positioning in the globalized world      *Creativity and Development*

Robert Keith Sawyer,2003 Annotation 1 Emergence in Creativity and Development R Keith Sawyer2 Creativity in the Making Vygotsky s Contemporary Contribution to the Dialectic of Development and Creativity Seana Moran and Vera John Steiner3 The Development of Creativity as a Decision Making Process Robert J Sternberg4 The Creation of Multiple Intelligences Theory A Study in High Level Thinking David Henry Feldman with the collaboration of Howard Gardner5 Creativity in Later Life Jeanne Nakamura and Mihaly Csikszentmihalyi6 Key Issues in Creativity and Development Prepared by all authors

*The Cambridge Guide to Literature in English* Dominic Head,2006-01-26 This illustrated and fully updated Third Edition of *The Cambridge Guide to Literature in English* is the most authoritative and international survey of world literature in English available The Guide covers everything from Old English to contemporary writing from all over the English speaking world There are entries on writers from Britain and Ireland the USA Canada India Africa South Africa New Zealand the South Pacific and Australia as well as on many important poems novels literary journals and plays This new edition has been brought completely up to date with more than 280 new author entries most of them for living authors The general reader will find it fascinating to browse and to discover many new writers and works while students will find it an invaluable resource for daily use This is a unique work of reference for the twenty first century that no reader or library should be without

Austrian Information ,1960      *Literature and Union* Gerard Carruthers,Colin Kidd,2018-01-05 *Literature and Union* opens up a new front in interdisciplinary literary studies There has been a great deal of academic work both in the Scottish context and more broadly on the relationship between literature and nationhood yet almost none on the relationship between literature and unions This volume introduces the insights of the new British history into mainstream Scottish literary scholarship The contributors who are from all shades of the political spectrum will interrogate from various angles the assumption of a binary opposition between organic Scottish values and those supposedly imposed by an overbearing imperial England Viewing Scottish literature as a clash between Scottish and English identities loses sight of the internal Scottish political and religious divisions which far more than issues of nationhood and union were the primary sources of conflict in Scottish culture for most of the period of Union until at least the early twentieth century The aim of the volume is to reconstruct the story of Scottish literature along lines which are more historically persuasive than those of the prevailing grand narratives in the field The chapters fall into three groups 1 those which highlight canonical moments in Scottish literary Unionism John Bull Rule Britannia Humphry Clinker Ivanhoe and England their England 2 those which investigate key themes and problems including the Unions of 1603 and 1707 Scottish Augustanism the Burns Cult Whig Presbyterian and sentimental Jacobite literatures and 3 comparative pieces on European and Anglo Irish phenomena      **Wanderers Across Language** Kinga Olszewska,2017-12-02 Exile has become a potent symbol of Polish and Irish cultures Historical political and cultural predicaments of both countries have branded them as diasporic nations but in Adorno s dictum for an exile writing becomes home Olszewska offers a multifaceted picture of the figure of exile in postwar Poland and Ireland

juxtaposing politics and culture whereas Irish exile appears more in an economic and cultural context the essence of Polish exile is political This comparative study of works by Polish and Irish authors Stanislaw Baranczak Adam Zagajewski Marek Hlasko Kazimierz Brandys Brian Moore Desmond Hogan and Paul Muldoon shows a literature which not only depicts the experience of exile but which uses exile as a literary device In Honour of the Artist Danuta BÅ,aszak,Anna Maria Mickiewicz,2018-12-26 This Polish English collection of essays poems and interviews appearing to coincide with All Saints Day is devoted to poets and artist who passed away but who live on in the memories of those who stay in their works and in the inspiration they offered to the next generations Tomasz Niedokos **The Modern Poet** Robert Crawford,2001-08-09 Addressed to all readers of poetry this is a wide ranging book about the poet s role throughout the last three centuries It argues that a conception of the poets as both primitive and sophisticated emerged in the 1750s Encouraged by the classroom when English literary works began to be studied in universities this view continues to shape our own attitudes towards verse Whether considering Ossian and the Romantics Victorian scholar gipsies Modernist poetries of knowledge or contemporary poetry in Britian Ireland and America The Modern Poet shows how many successive generations of poets have needed to collaborate and to battle with academia *Russian Life* ,2001 *The Oxford Handbook of the Victorian Novel* Lisa Rodensky,2013-07-11 The Oxford Handbook of the Victorian Novel contributes substantially to a thriving scholarly field by offering new approaches to familiar topics as well as essays on topics often overlooked **Rosa Newmarch and Russian Music in Late Nineteenth and Early Twentieth-Century England** PhilipRoss Bullock,2017-07-05 Philip Ross Bullock looks at the life and works of Rosa Newmarch 1857 1940 the leading authority on Russian music and culture in late nineteenth and early twentieth century England Although Newmarch s work and influence are often acknowledged most particularly by scholars of English poetry and of the role of women in English music the full range of her ideas and activities has yet to be studied As an inveterate traveller prolific author and polyglot friend of some of Europe s leading musicians such as Elgar Sibelius and Jan k Newmarch deserves to be better appreciated On the basis of both published and archival materials the details of Newmarch s busy life are traced in an opening chapter followed by an overview of English interest in Russian culture around the turn of the century a period which saw a long standing Russophobia largely political and military challenged by a more passionate and well informed interest in the arts Three chapters then deal with the features that characterize Newmarch s engagement with Russian culture and society and more significantly perhaps which she also championed in her native England nationalism the role of the intelligentsia and feminism In each case Newmarch s interest in Russia was no mere instance of ethnographic curiosity rather her observations about and passion for Russia were translated into a commentary on the state of contemporary English cultural and social life Her interest in nationalism was based on the conviction that each country deserved an art of its own Her call for artists and intellectuals to play a vital role in the cultural and social life of the country illustrated how her Russian experiences could map onto the liberal values of

Victorian England And her feminism was linked to the idea that women could exercise roles of authority and influence in society through participation in the arts A final chapter considers how her late interest in the music of Czechoslovakia pi

**Bibliography of Slavic Literature** Dasha Culic Nisula, 2001-07-20 Nisula covers materials published in the United States and abroad since 1989 covering Slavic literature from the medieval period to the end of the twentieth century The three main sections are meticulously structured to cover all the dimensions of geographical space literary genres topics authors and time The first section examines general works on Slavic literature namely Slavic bibliographies journals and library holdings The second one frames the bibliographic sources within the Slavic geographic perimeter East Central and South Europe while the final section considers regional and national literature One of the richest European cultures reveals itself in the pages of this book and all those who want to understand the multiple aspects of Slavic literature can find in this an essential guide

**The Translator in the Text** Rachel May, 1994-11-23 What does it mean to read one nation s literature in another language The considerable popularity of Russian literature in the English speaking world rests almost entirely upon translations In *The Translator and the Text* Rachel May analyzes Russian literature in English translation seeing it less as a substitute for the original works than as a subset of English literature with its own cultural stylistic and narrative traditions

This Engaging World of Kindle Books: A Thorough Guide Unveiling the Advantages of Kindle Books: A Realm of Convenience and Versatility E-book books, with their inherent portability and simplicity of availability, have freed readers from the limitations of hardcopy books.
