Sleeping Preacher Julia Spicher Kasdorf, 2014-03-29 *Sleeping Preacher* was chosen from more than 900 first book manuscripts as the winner of the 1991 Agnes Lynch Starrett Poetry Prize. Weird Carolinas Roger Manley, 2007-06 **Alabama, One Big Front Porch** Kathryn Tucker Windham, 2007-01-01 Many of Alabama's finest stories used to begin with a reference to the night the stars fell, and even now there is an inclination among some residents to divide local history into two segments: before the stars fell and after the stars fell. That would make November 13, 1833, the dividing line. Thousands of Alabamians thinking the end of the world was at hand when they saw the heavenly spectacle fell to their knees to plead for mercy and forgiveness. Others promised eternal renunciation of sin, card playing, dancing, whiskey drinking, cursing, and associated vices if they were spared whatever catastrophes were in the offing. Still others jumped upon horses and tried to outrace the fearful menace they believed was pursuing them.

Prison Life and Reflections George Thompson, 1848 **Devotional Somnium, Or, A Collection of Prayers and Exhortations**, 1815 *The Encyclopedia of Christian Literature* George Thomas Kurian, James D. Smith III, 2010-04-16 The written word is one of the defining elements of Christian experience. As vigorous in the 1st century as it is in the 21st, Christian literature has had a significant function in history, and teachers and students need to be reminded of this powerful literary legacy. Covering 2,000 years, *The Encyclopedia of Christian Literature* is the first encyclopedia devoted to Christian writers and books. In addition to an overview of the Christian literature, this two-volume set also includes 40 essays on the principal genres of Christian literature and more than 400 biobibliographical essays describing the principal writers and their works. These essays examine the evolution of Christian thought as reflected in the literature of every age. The companion volume also features bibliographies, an index, a timeline of Christian literature, and a list of the greatest Christian authors. The encyclopedia will appeal not only to scholars and Christian evangelicals but students and teachers in seminaries and theological schools as well as to the growing body of Christian readers and bibliophiles.

While dreams, sleeping nudes, and other facets of the dormant state were popular with artists of the early twentieth century and long before, sleep experiences have given rise to an even wider range of postmodern artwork. *Scanning the Hypnograph*

first assesses the modernist framework wherein the sleeping subject typically enjoys firm psychic grounding As postmodernism begins subjective space is fragmented the representation of sleep reflecting the trend Among other topics this book demonstrates how portrayals of dormant individuals can reveal imprints of the self Gender issues are taken up as well Mainstream heterosexual representations are considered along with depictions of gay lesbian and androgynous sleepers
