The Harbingers of Spring David Roller, 2023-06-12 The Harbingers of Spring is fiction and is a tale of hope set in the surroundings of the author s grandfather s farm in Brown County Indiana of memories from the first decades of his life born of childhood loneliness amid things he would do if he had the choice to get people to come and visit This book follows decades of the development of a festival in the Sweetwater Creek valley It is a presentation of equality and diversity that follows a girl and boy in their pursuit of forbidden love It presents a global input into a microcosm while the harbingers of spring from the constellations to the flowers to the wildlife to annual happenings mark the growth and education of the two main characters This education is punctuated by the genetic development of a grand champion bull and a bloodline of prized cattle and the production of mules A world court is depicted that hears cases of the lovelorn annually and gives opinions up to and including the provision of weddings The book depicts the conversations of all introduced characters from wherever to the constants of the rural setting the rules of bathing on the porch in a washtub and spitting on one s finger to entice the butterflies and making a bed of two pairs of pants for lovemaking The story expands out of harsh fundamentalism the ugliness of the gangs of Great Britain the old assertion that behind every great fortune lies a crime Balzac 1834 the drug cartels and the systematic destruction in the prisoner of war camps Love does triumph The driving force of the girl

protagonist is the belief that if you have been denied of your own dreams you should do whatever you can to help others not be denied their dreams The Harbingers of Spring is a retelling of stories made up by the author to maintain interest by his wife in fighting leukemia born of desperation an effort to entice her to want to hang on just to hear one more story and a plea for her to continue to live Georgia Is On My Mind Gary Lunsford,2011-05-13 Brothers grow up together and share a suspicion that their grandmother who died before they were born looks after them from heaven The Art Of Being Miserable. Life is a Story - story.one Emma Hall,2024-08-30 In the quiet shadowed corners of their minds Regan and Evan grapple with the weight of their own existence For Regan an artist whose soul is entwined with the melancholy of his creations every brushstroke is a reflection of his fragmented self For Evan haunted by the ghosts of a past he cannot escape life is a series of days spent drifting between the overwhelming urge to disappear and the desperate need to be seen Bound by a friendship that is as fragile as it is profound they navigate the blurred lines between despair and hope art and life and the person they are versus the person they want to be As Regan s art exhibition looms both men must confront their deepest fears and insecurities discovering in each other the reflections of their own misery and the faintest glimmers of redemption The Art of Being Miserable is a poetic and introspective exploration of loneliness mental health and the complexity of human connection **The Life and Adventures of Delbert Spool** Joseph Gary Roy-Rick O'Connor II,2022-12-05 The story of Delbert Spool s life is truly an American adventure He was a child of Bulgarian immigrant parents who fled Europe as the storm clouds of WWII gathered From birth Delbert was physically gifted and unique in many ways The only son in a small working class family he had a typical American upbringing in Hackensack New Jersey In his middle class neighborhood like many of the children he grew up with he attended the local Catholic schools where he both learned and suffered the discipline they are famous for Delbert showed both courage and kindness at an early age coming to the aid of those in danger despite his own risk These traits would define him throughout his life As Delbert grew he became an exceptional athlete excelling at football and earning a scholarship to the University of Delaware But college and his dreams were cut short by a string of personal tragedies that introduced him to death The despair that hardened him and cast him adrift led him to the military as it has so many young men who lose their direction in life In the Army Del Spool was forged into a man His early military assignments provided adventures all their own A doer Del chose to join America s elite military brotherhood by attending Airborne Ranger and Special Forces training He earned an officer s commission through Officer Candidate School where he excelled and was a top graduate honing his leadership skills and learning that always being prepared was the key to excellence During two combat tours in Vietnam Del s courage earned him warrior status and the respect of all with whom he served Some would call him a hero he was well decorated for his selfless bravery But Del would just say he did what he was expected to do Nonetheless he served his country with honor and integrity Del s time in Europe during the Cold War when the Army struggled to rebuild itself after Vietnam provided its own set of unique adventures to say the least yet left Del
