"*Slick Willie*" II Deborah J. Stone, 1994      "**Slick Willie**" II Deborah J. Stone, Christopher Manion, 1994 Secrecy deception and cover up have been the watchwords of the Clinton White House especially concerning the Whitewater scandal and the Vincent Foster mystery      The Hunting of the President Joe Conason, Gene Lyons, 2001-02-03 When Hillary Clinton spoke of a vast right wing conspiracy determined to bring down the president many people dismissed the idea Yet if the first lady's accusation was exaggerated the facts that have since emerged point toward a covert and often concerted effort by Bill Clinton's enemies abetted by his own reckless behavior which led inexorably to impeachment Clinton's foes launched a cascade of well financed attacks that undermined American democracy and nearly destroyed the Clinton presidency In vivid prose Joe Conason and Gene Lyons two award winning veteran journalists identify the antagonists reveal their tactics trace the millions of dollars that subsidized them and examine how and why mainstream news organizations aided those who were determined to bring down Bill Clinton *The Hunting of the President* may very well be the All the President's Men of this political regime      *The Clintons' War on Women* Roger Stone, Robert Morrow, 2016-09-06 This book on Hillary really tough President Donald Trump Hillary Clinton is running for president as an advocate of women and girls but there is another shocking side to her story that has been carefully covered up until now This stunning expos reveals for the first time how Bill and Hillary Clinton systematically abused women and others sexually physically and psychologically in their scramble for power and wealth In this groundbreaking book New York Times bestselling author Roger Stone and researcher and alternative historian Robert Morrow map the arc of Bill and Hillary's crimes and cover ups They reveal details about their actions in Arkansas during Bill Clinton's time in the White House about who really ordered the deadly attack on the Branch Davidian compound in Waco during Hillary's tenure as secretary of state about their time at the Clinton Foundation and during Hillary's current campaign for president This is the first book to shed light on the couple's deeply personal violations of the people they crushed in their obsessive quest for power Along the way Stone and Morrow reveal the family's darkest secrets including a Clinton family member's drug rehab treatment that was never reported by the press Hillary Clinton's unusually close relationship with a top female aide and a stunning revelation of such impact that it could strip Bill Clinton of his current popularity and derail Hillary's push to be the second Clinton in the White House Anyone who cares about the future of the United States will want to read this tell all exposing the appalling unvarnished and ugly truth about the Clintons This paperback edition includes a new preface from Roger Stone revealing explosive new information he's learned since the hardcover's release      *Bill Clinton* Nigel Hamilton, 2007-07-10 A decade and a half after President William Jefferson Clinton first took the oath of office biographer Nigel Hamilton tells the riveting story of what was possibly the greatest self reinvention of a president in office in modern times The Clinton presidency began disastrously kicking off with the worst transition in living memory and deteriorating through a series of fiascos from gays in the military to Hillary Clinton's failed

health care reform How Bill Clinton faced up to his failures and refashioned himself in the White House thereafter is an epic hitherto unwritten story a story that climaxes with the trouncing of Bob Dole in the landslide presidential election in 1996 Clinton began his second term as the undisputed and tremendously popular leader of the Western world In vivid prose Hamilton charts Clinton s dramatic reversal of fortune and his ultimate triumph over himself and his foes Bill Clinton Mastering the Presidency is a riveting narrative of American politics an incisive character portrait and powerful reminder of what a great president can accomplish **Bill Clinton** Allan Metz,2002-03-30 Bill Clinton s administration was filled with new policies and achievements for the nation s future but those achievements were easily overshadowed by personal flaws and scandal Despite his personal problems Clinton captured the American public and served two terms as one of our more memorable presidents This comprehensive bibliography on Clinton will provide students with information from his childhood his pre presidential career presidency including assessments of it and the beginning of his post presidential life Key access points to this information are provided in the Table of Contents and detailed author and subject indexes Also included is an invited essay providing an overview of the Clinton presidency and an extensive chronology of significant events *The Clinton Wars* Sidney Blumenthal,2003-05-23 An invaluable history of an extraordinary presidency and the chronicle of a generation s political odyssey When in 1997 Bill Clinton appointed Sidney Blumenthal as a senior advisor the former writer was catapulted into the front lines of the Clinton wars From his first day in the White House until long after his appearance as the only presidential aide ever to testify in an impeachment trial Blumenthal acted in or witnessed nearly all the battles of the Clinton years This major book part history part memoir is the first inside account we have of the presidency of William Jefferson Clinton The Clinton Wars begins in 1987 when Blumenthal first met Bill and Hillary Clinton His chronicle of Clinton s first presidential campaign and first term draws on his experiences as confidant to both the President and the First Lady and is enriched with previously unpublished revelations about both This remarkable personal interpretation goes far in explaining the polarizing nature of Clinton s presence on the national scene The narrative of Clinton s second term is even more dramatic Blumenthal takes special note of the battle that was waged within the media between the President s detractors and defenders which he expands into a vivid picture of Washington society torn apart by warring factions But he does not neglect the wars fought on other fronts in Kosovo against Congress and for economic prosperity His remarkable book ends with the inside story of the fight to elect Al Gore in 2000 and extend the legacy of the Clinton Gore Administration Every page of this unrivaled authoritative book with its intimate insights into Clinton s personality and politics attests to Blumenthal s literary skill profound understanding of politics and unique perspective on crucial events of our recent past The Clinton Wars is a lasting contribution to American history **Bill Clinton: An American Journey** Nigel Hamilton,2003-09-30 Bill Clinton forty second president of the United States is the quintessential baby boomer on the one hand blessed with a near genius IQ on the other beset by character flaws that made his presidency a veritable soap opera of

high ideals distressing incompetence model financial stewardship and domestic misbehavior In an era of cultural civil war the Clinton administration fed the public an almost daily diet of scandal and misfortune Who is Bill Clinton though and how did this baby boom saga begin Clinton s upbringing in Arkansas and his student years at Georgetown Oxford and Yale universities help us to see his life not only as a personal story but as the story of modern America Behind the closed doors of the house on the hill above Park Avenue in Hot Springs the struggle between Clinton s stepfather and mother became ultimately unbearable causing Virginia to move out and divorce Roger Clinton Dreading confrontation Bill Clinton excelled in almost every field save athletics But the fabled success of the scholarship boy would be marred by the decisions he came to make regarding Vietnam and military service choices that haunt him to this day We watch with a mixture of alarm fascination and awe as Bill Clinton does so much that is right and so much that is wrong He sets his cap for the star student at Yale young Hillary Rodham seducing her with his dreams of a better America and an aw shucks grin Wherever he goes he charms and disarms young and old men and women and more women He becomes a law professor straight out of college he contests a congressional election in his twenties and almost wins it He becomes attorney general of his state and within two years is set to become the youngest ever governor of Arkansas at only thirty two Yet always there is a curse a drive toward personal self destruction and with that the destruction of all those who are helping him on his legendary path His affair with Gennifer Flowers strains his marriage and later nearly scuttles his bid for the presidency He is thrown out of the governor s office after only one term and suffers a life shaking crisis of confidence Though with the stalwart help of a female chief of staff he regains his crown it is clear that Bill Clinton s charismatic career is a ceaseless tightrope walk above the forces that threaten to pull him down the most potent of them residing in his own being Imbued with sympathy deep intelligence and the storyteller s art this extraordinary biography helps us at last to understand the real Bill Clinton as he stumbles and withdraws from the 1988 presidential nomination race but enters it four years later to make one of the most astonishing bids for the presidency in the twentieth century the climax of this gripping political social and scandalous journey **"Slick**

*The Oath* Jeffrey Toobin, 2013-06-04 A Washington Post Notable Work of Nonfiction From the moment Chief Justice Roberts botched Barack Obama's oath of office the relationship between the Court and the White House has been a fraught one Grappling with issues as diverse as campaign finance abortion and the right to bear arms the Roberts court has put itself squarely at the center of American political life Jeffrey Toobin brilliantly portrays key personalities and cases and shows how the President was fatally slow to realize the importance of the judicial branch to his agenda Combining incisive legal analysis with riveting insider details *The Oath* is an essential guide to understanding the Supreme Court of our interesting times

**Stench** David Brock, 2024-09-17 A blistering exposé of Clarence Thomas and the conservative regime of corruption that has usurped the Supreme Court by a Democratic activist and former Republican political operative Public confidence in the Supreme Court has plummeted to new lows in the last few years and for good reason In the past three decades six

conservative justices have gained a supermajority through questionable means a dubious intervention in a presidential election perjury during Senate testimony and a GOP Senate Leader's unethical blockade of a Supreme Court nomination Behind this strategic dismantling of our Supreme Court is a vast well funded political machine backed by the extreme right wing Federalist Society the notoriously secretive Catholic organization Opus Dei and GOP megadonors operating from behind closed doors Armed with an insider's perspective from his time within the conservative movement David Brock reveals how the efforts to stack the Court in service of extreme right wing interests stem from a decades long strategy to weaponize our judicial system into an extension of the Republican Party itself Stench investigates the ethics scandals that surround Clarence Thomas and his wife the right wing activist Ginni Thomas culling new material from Thomas's accusers along with original reporting and Brock's firsthand knowledge of the inner workings of the GOP Stench is a staggering exposé one that only Brock could write exhaustive in its research and revelatory in its access to the world of what has effectively become the Thomas Court

*The Court v. The Voters* Joshua A. Douglas, 2024-05-14 An urgent and gripping look at the erosion of voting rights and its implications for democracy told through the stories of 9 Supreme Court decisions and the next looming case In *The Court v The Voters* law professor Joshua Douglas takes us behind the scenes of significant cases in voting rights some surprising and unknown some familiar to investigate the historic crossroads that have irrevocably changed our elections and the nation In crisp and accessible prose Douglas tells the story of each case sheds light on the intractable election problems we face as a result and highlights the unique role the highest court has played in producing a broken electoral system Douglas charts infamous cases like *Bush v Gore* which opened the door to many election law claims *Citizens United* which contributed to skewed representation but perhaps not in the way you might think *Shelby County v Holder* which gutted the vital protections of the Voting Rights Act *Crawford v Marion County Elections Board* which allowed states to enforce voter ID laws and make it harder for people to vote *The Court v The Voters* powerfully reminds us of the tangible real world effects from the Court's voting rights decisions While we can and should lament the democracy that might have been Douglas argues that we can and should double down in our efforts to protect the right to vote

*Wingnuts* Perseus, 2014-08-12 Wingnuts exist on the extreme edges of the political spectrum They're the professional polarizers and the unhinged activists the hardcore haters and the paranoid conspiracy theorists They're people who always try to divide us instead of unite us And at a time when the fringe is blurring with the base they've hijacked American politics The Obama era has been a boom time for Wingnuts kicked off by a financial collapse and the election America's first black president For some losing an election feels like living under tyranny John Avlon tracks down preachers who pray for the president's death goes inside the growing Hatriot militia movement and identifies the fright wing swamp where the Obama Birthers and the Bush era 9/11 Truthers bubble up Wingnuts echo earlier fear fueled movements in American history But bolstered by the rise of hyper partisan media the Wingnut echo chamber is more influential than ever before and it has led directly to the division

and dysfunction in Congress Avlon asserts that the time has come for the moderate majority of Americans to straighten their civic backbone and hold the extremes accountable while restoring a sense of perspective to our politics **Political**

Stewart, 2012-11-20 Pulitzer Prize winner James B Stewart takes readers behind the scenes

in the Clinton White House as it reels in the wake of the Whitewater scandal Vincent Foster s suicide and Paula Jones allegations of sexual misconduct In July 1993 White House official Vincent Foster wrote an anguished lament in Washington ruining people is considered a sport Nine days later Foster was dead Shock at the apparent suicide of one of President Clinton s top aides turned to mystery then suspicion as the White House became engulfed in an ever widening net of unanswered questions Among the confidential matters Foster was working on when he died was the Clinton s ill fated investment in Whitewater an Arkansas land development Soon conspiracy theories were circulating alleging that Foster was murdered because he knew too much And the Whitewater affair a minor footnote to the 1992 presidential campaign was suddenly resurrected in the national media To a degree that left them sunned and at times depressed the president and the first lady have been buffeted by a succession of scandals from the first lady s profitable commodities trading to the sexual harassment allegations of Paula Jones Like his predecessors the Clinton presidency soon found itself engulfed in allegations of scandal conspiracy and cover up Drawing on hundreds of interviews many with people speaking publicly for the first time James B Stewart also sheds startling new light on these and other mysteries of the Clinton White House In a fast paced

narrative that ranges from a backwater town in the Ozarks to the Oval Office from newsrooms in New York and Los Angeles to offices of conservative think tanks and special prosecutors the result is an unprecedented portrait of political combat as it is waged in America today
