

Gaullist Phenomenon: Gaullist Movement in the Fifth Republic (Study in Political Science)

Charlot, Jean

Note: This is not the actual book cover

The Gaullist Phenomenon The Gaullist Movement In The Fifth Republic

Chao Zhang

The Gaullist Phenomenon The Gaullist Movement In The Fifth Republic:

The Gaullist Phenomenon Jean Charlot, 2021-11-21 Books on gaullism or more precisely books on General de Gaulle are not uncommon Originally published in English in 1971 this claimed to be the first book of this sort on gaullism as a political force within the French political system Since the publication of his work on the Union pour la nouvelle R publique Jean Charlot had become known as one of the few objective experts on gaullism His knowledge of the British political system had helped him to appreciate the nature of the gaullist party which he saw from the first not as a transient party linked to the political career of General de Gaulle but as a major modern right wing party comparable to the Conservative Party in Britain In this book he demonstrates how the gaullist movement is a voter oriented party the first that France had really ever known The strength of gaullism lies in the electorate which had fully accepted gaullist economic policies the institutional changes introduced under the Republic and the party s foreign policy This voter oriented party had fundamentally changed the French party system A majority party since 1962 the gaullist movement would force the left to regroup within a left wing voter oriented party if it did not want to face political sterility Jean Charlot was one of the few specialists to publish an article just after the referendum Le Monde May 2 1969 forecasting that the departure of General de Gaulle did not foreshadow the end of gaullism as a major political force The Fifth Republic at Twenty William G. Andrews, Stanley Hoffmann, 2015-03-17

The first twenty years of the Fifth Republic encompass four presidential elections alternating political control of the National Assembly and years of rapid economic growth and contraction Thus a variety of events now allow an evaluation of the efficacy of the Fifth Republic The chapters of this book examine the governmental framework and various political groups that have vied for control of it industrial development and modernization education and culture and foreign policy Containing both favorable and critical assessments the book provides a comprehensive balance sheet on the Fifth Republic and the influence of Charles de Gaulle Its 25 essays were written by such well known scholars as Crozier Gagnon Gour vitch Ross Suleiman and others as well as some of the younger generation of French specialists with concluding synthesis by Stanley Hoffmann The book features an essay of historical importance on the Constitution of the Fifth Republic by the Constitution s own father the former Prime Minister of France Michel Debr Looking into the areas of government politics economy society culture and foreign policy this volume gives the reader an understanding of the considerable impact of Charles de Gaulle s administration on contemporary France

New Europe in Transition Peter Anderson, Georg Wiessala, Christopher Williams, 2001-01-01 The essays address the key questions currently confronting Europe seeking to provide a broad based introduction to the post millennial politics of this complex continent These questions are addressed on three levels first at the level of the major institutions which straddle large parts of Europe NATO and the OSCE and the E U second from the perspective of a large sample of European countries including parts of the former Soviet Union and third with regard to the economic cultural and social dimensions of European society both East and West **Encyclopedia of Life Writing**

Margaretta Jolly, 2013-12-04 First published in 2001 This is the first substantial reference work in English on the various forms that constitute life writing As this term suggests the Encyclopedia explores not only autobiography and biography proper but also letters diaries memoirs family histories case histories and other ways in which individual lives have been recorded and structured It includes entries on genres and subgenres national and regional traditions from around the world and important auto biographical writers as well as articles on related areas such as oral history anthropology testimonies and the representation of life stories in non verbal art forms

Democracy in Modern France Nick Hewlett, 2005-12-08 With its unique blend of political history and political theory this book is a welcome addition to the series on Politics Culture and Society in the New Europe Nick Hewlett begins his fascinating study with a discussion of the various ways in which the concept of democracy has been interpreted He continues by tracing the effect of France s revolutionary tradition on the theory and practice of democracy since the Enlightenment looking in particular at both republican democracy and direct democracy Hewlett examines the implications for democracy of profound social and political conflict in France and offers an unusual critique of the institutions and structures of formal politics suggesting that their relationship with democracy is more tenuous than is often assumed The political philosophy of new liberals such as Luc Ferry and Marcel Gauchet is also discussed in detail Thought provoking original and closely argued this book explores some key aspects of politics in France whilst making a strong case for greater direct participation of ordinary people in politics Nick Hewlett is Professor of French Studies and Director of the Centre for European Research at Oxford Brookes University He is author of Modern French Politics Conflict and Consensus since 1945 1998 co author of Contemporary France with Jill Forbes and Fran ois Nectoux 1994 and 2001 and co editor of Currents in Contemporary French intellectual Life with Christopher Flood 2000 and Unity and Diversity in the New Europe with Barrie Axford and Daniela Berghahn 2000

The Kanak Awakening David A. Chappell, 2013-10-31 In 1853 France annexed the Melanesian islands of New Caledonia to establish a convict colony and strategic port of call Unlike other European settler dominated countries in the Pacific the territory s indigenous people remained more numerous than immigrants for over a century Despite military conquest land dispossession and epidemics its thirty language groups survived on tribal reserves and nurtured customary traditions and identities In addition colonial segregation into the racial category of canaques helped them to find new unity When neighboring anglophone colonies began to decolonize in the 1960s France retained tight control of New Caledonia for its nickel reserves reversing earlier policies that had granted greater autonomy for the islands Anticolonial protest movements culminated in the 1980s Kanak revolt after which two negotiated peace accords resulted in autonomy in a progressive form and officially recognized Kanak identity for the first time But the near parity of settlers and Kanak continues to make nation building a challenging task despite a 1998 agreement among Kanak and settlers to seek a common destiny This study examines the rise in New Caledonia of rival identity formations that became increasingly polarized in the 1970s and examines in particular the emergence of activist

discourses in favor of Kanak cultural nationalism and land reform multiracial progressive sovereignty or a combination of both aspirations Most studies of modern New Caledonia focus on the violent 1980s uprising which left deep scars on local memories and identities Yet the genesis of that rebellion began with a handful of university students who painted graffiti on public buildings in 1969 and such activists discussed many of the same issues that face the country's leadership today After examining the historical cultural and intellectual background of that movement this work draws on new research in public and private archives and interviews with participants to trace the rise of a nationalist movement that ultimately restored self government and legalized indigenous aspirations for sovereignty in a local citizenship with its own symbols Kanak now govern two out of three provinces and have an important voice in the Congress of New Caledonia but they are a slight demographic minority Their quest for nationhood must achieve consensus with the immigrant communities much as the founders of the independence movement in the 1970s recommended

Studies in Economics and Political Science

Various,2022-07-30 This 13 volume collection originally published between 1929 and 1982 contains a selection of titles from the fields of economics and political science Many individual titles focus on Britain and include topics such as democracy environmental planning foreign policy legislation microeconomics national income and the welfare state The earliest title looks at the nature of nationality and two further titles look at politics in France This set will be an insight for those interested in the history of either field

Borrowing Constitutional Designs

Cindy Skach,2011-02-11 After the collapse of communism some thirty countries scrambled to craft democratic constitutions Surprisingly the constitutional model they most often chose was neither the pure parliamentary model found in most of Western Europe at the time nor the presidential model of the Americas Rather it was semi presidentialism a rare model known more generally as the French type This constitutional model melded elements of pure presidentialism with those of pure parliamentarism Specifically semi presidentialism combined a popularly elected head of state with a head of government responsible to a legislature Borrowing Constitutional Designs questions the hasty adoption of semi presidentialism by new democracies Drawing on rich case studies of two of the most important countries for European politics in the twentieth century Weimar Germany and the French Fifth Republic Cindy Skach offers the first theoretically focused and historically grounded analysis of semi presidentialism and democracy She demonstrates that constitutional choice matters because under certain conditions semi presidentialism structures incentives that make democratic consolidation difficult or that actually contribute to democratic collapse She offers a new theory of constitutional design integrating insights from law and the social sciences In doing so Skach challenges both democratic theory and democratic practice This book will be welcomed not only by scholars and practitioners of constitutional law but also by those in fields such as comparative politics European politics and history and international and public affairs

The Routledge Handbook of French Politics and Culture

Marion Demossier,David Lees,Aurélien Mondon,Nina Parish,2019-11-12 The Routledge Handbook of French Politics and Culture provides a detailed

survey of the highly differentiated field of research on French politics society and culture across the social sciences and humanities The handbook includes contributions from the most eminent authors in their respective fields who bring their authority to bear on the task of outlining the current state of the art research in French Studies across disciplinary boundaries As such it represents an innovative as well as an authoritative survey of the field representing an opportunity for a critical examination of the contrasts and the continuities in methodological and disciplinary orientations in a single volume The Routledge Handbook of French Politics and Culture will be essential reading and an authoritative reference for scholars students researchers and practitioners involved in and actively concerned about research on French politics society and culture

Historical Dictionary of France Gino Raymond, 2008-10-23 From the construction of Notre Dame and the Eiffel Tower to the Fall of the Bastille and the Declaration of the Rights of Man and the Citizen to Napoleon Bonaparte's defeat at Waterloo to Albert Camus L'Etranger and the existentialism of Jean Paul Sartre France has been a part of some of the greatest and most memorable events in human history Author Gino Raymond relates the history of these events in the second edition of the Historical Dictionary of France Through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on kings politicians authors architects composers artists and philosophers a thorough history of France is presented

Whispering the Secrets of Language: An Emotional Quest through **The Gaullist Phenomenon The Gaullist Movement In The Fifth Republic**

In a digitally-driven world wherever screens reign supreme and quick interaction drowns out the subtleties of language, the profound secrets and emotional nuances hidden within phrases frequently move unheard. However, set within the pages of **The Gaullist Phenomenon The Gaullist Movement In The Fifth Republic** a fascinating literary value sporting with raw emotions, lies an exceptional journey waiting to be undertaken. Composed by an experienced wordsmith, that marvelous opus attracts visitors on an introspective trip, lightly unraveling the veiled truths and profound impact resonating within the very material of each and every word. Within the psychological depths of this emotional evaluation, we will embark upon a sincere exploration of the book's core subjects, dissect its captivating writing model, and succumb to the powerful resonance it evokes deep within the recesses of readers' hearts.

While this might not be the The Gaullist Phenomenon The Gaullist Movement In The Fifth Republic full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Gaullist Phenomenon The Gaullist Movement In The Fifth Republic eBooks, including some popular titles.

FAQs About The Gaullist Phenomenon The Gaullist Movement In The Fifth Republic Books

What is a The Gaullist Phenomenon The Gaullist Movement In The Fifth Republic PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Gaullist Phenomenon The Gaullist Movement In The Fifth Republic PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Gaullist Phenomenon The Gaullist Movement In The Fifth Republic PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Gaullist Phenomenon The Gaullist Movement In The Fifth Republic PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Gaullist Phenomenon The Gaullist Movement In The Fifth Republic PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or

desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
