The Gentle People Personal Reflections Of Amish Life:

The Gentle People Joe Wittmer, 2001-08-01 The book covers such topics as the Amish family system child rearing their plan of education and courtship marriage and death along with other aspects of the Old Order Amish **The One Year Book of Amish Peace** Tricia Goyer, 2013 Let the simplicity of the Amish draw you closer to God In this instantly connected world it s surprisingly easy to lose our connection to God What s admirable about the Amish lifestyle is that it intentionally slows the pace of life so there s an opportunity to see the everyday grandeur of our great God Not everyone can or should adopt an Amish lifestyle But the Amish can inspire all of us to slow down and simplify our lives We need to learn to let go of our glittering gadgets in order to grab hold of something of infinitely greater value the Divine The One Year Book of Amish Peace will inspire you to set a sustainable pace of life so that you too can take the time to enjoy God s gifts each and every day *The Gentle People* Joe Wittmer, 1990 The book covers such topics as the Amish family system child rearing their plan of education and courtship marriage and death along with other aspects of the Old Order Amish *The Praeger Handbook of Faith-Based Schools in the United States, K-12* Thomas C. Hunt, James C. Carper, 2012-08-06 Exploring a subject that is as important as it is divisive this two volume work offers the first current definitive work on the intricacies and issues relative to America s faith based schools The Praeger Handbook of Faith Based Schools in the United States K 12 is an indispensable study at a time when American education is increasingly considered through the lenses of race ethnicity gender and social class With contributions from an impressive array of experts the two volume work provides a historical overview of faith based schooling in the United States as well as a comprehensive treatment of each current faith based school tradition in the nation The first volume examines three types of faith based schools Protestant schools Jewish schools and Evangelical Protestant homeschooling The second volume focuses on Catholic Muslim and Orthodox schools and addresses critical issues common to faith based schools among them state and federal regulation and school choice as well as ethnic cultural confessional and practical factors Perhaps most importantly for those concerned with the questions and controversies that abound in U S education the handbook grapples with outcomes of faith based schooling and with the choices parents face as they consider educational options for their children Rosanna of the Amish Joseph W. Yoder, 1995-12-13 The thrilling narrative of Rosanna McGonegal Yoder the Irish Catholic baby girl who lived with an Amish woman Elizabeth Yoder All the episodes of Rosanna of the Amish are based on fact Joseph W Yoder gives an honest sympathetic straightforward account of the religious social and economic customs and traditions of the Amish **Visits with the Amish** Linda Egenes, 2009-03-01 Who are the plain people the men and women who till their fields with horse and plow travel by horse and buggy live without electricity and telephones and practice help thy neighbor in daily life Linda Egenes visited with her Old Order Amish neighbors in southeast Iowa for thirteen years before writing this informative and companionable introduction to their lifeways *My Kingdom Is Not of This World: 300 Years of the Amish, 1683-1983* Horst Gerlach, 2013-06-01 Originally

printed in German in 1993 this updated and revised version has been translated into English Lots of new photos and updated data were added to the text as Gerlach traces the beginnings of the Amish movement in Switzerland their development and contribution to agriculture in Europe and their spread throughout Europe as well as their eventual decline A short portion covers the Amish in North America This is the most comprehensive book on the Amish in Europe 401pp color illus index Masthof Press 2013 **Extraordinary Groups** William W. Zellner, William M. Kephart, 2000-09-15 Text covering different groups in today s society like Jehovah s Witnesses Amish Gypsies Mormons etc New chapter on Unitarian Universalists

Extraordinary Groups Richard T. Schaefer, William W. Zellner, 2007-05-18 This updated text takes an interdisciplinary look at eight extraordinary groups of people throughout American history Each chapter is organized around a sociological principle which is then illustrated by a descriptive explanation of the lifestyles of these unique groups Increasing Multicultural Understanding Don C. Locke, 1998-02-03 This second edition of Increasing Multicultural Understanding has been revised and updated Locke presents a model which helps counsellors understand culturally different groups and the role culture plays in shaping the way people think feel and act
