The German Church Struggle And The Holocaust:

The German Church Struggle and the Holocaust Franklin Hamlin Littell, Hubert G. Locke, 1990 This is a volume of basic studies in Nazism Contributors include Eberhard Bethge Wilhelm Niemöller Henry Friedlander Elie Wiesel and Theodore Gill

Holocaust and Church Struggle Hubert G. Locke, Marcia Sachs Littell, 1996 The Holocaust and the German Church Struggle, 1992 **Genocide, Critical Issues of the Holocaust** Alex Grobman, Daniel Landes, Sybil Milton, 1983 **A**

Church Divided Matthew D. Hockenos, 2004-10-20 This book closely examines the turmoil in the German Protestant churches in the immediate postwar years as they attempted to come to terms with the recent past Reeling from the impact of war the churches addressed the consequences of cooperation with the regime and the treatment of Jews In Germany the Protestant Church consisted of 28 autonomous regional churches During the Nazi years these churches formed into various alliances One group the German Christian Church openly aligned itself with the Nazis The rest were cautiously opposed to the regime or tried to remain noncommittal The internal debates however involved every group and centered on issues of belief that were important to all Important theologians such as Karl Barth were instrumental in pressing these issues forward While not an exhaustive study of Protestantism during the Nazi years *A Church Divided* breaks new ground in the discussion of responsibility guilt and the Nazi past **The Nazi Holocaust. Part 8: Bystanders to the Holocaust. Volume 3**

Michael Robert Marrus, 2011-08-08 This edition is the first of its kind to offer a basic collection of facsimile English language historical articles on all aspects of the extermination of the European Jews A total of 300 articles from 84 journals and collections allows the reader to gain an overview of this field The edition both provides access to the immense rich array of scholarly articles published after 1960 on the history of the Holocaust and encourages critical assessment of conflicting interpretations of these horrifying events The series traces Nazi persecution of Jews before the implementation of the Final Solution demonstrates how the Germans coordinated anti Jewish activities in conquered territories and sheds light on the victims in concentration camps ending with the liberation of the concentration camp victims and articles on the trials of war criminals The publications covered originate from the years 1950 to 1987 Included are authors such as Jakob Katz Saul Friedländer Eberhard Jäckel Bruno Bettelheim and Herbert A Strauss Betrayal Robert P. Ericksen, Susannah Heschel, Important and insightful essays provide a penetrating assessment of Christian responses in the Nazi era

The Church of England and the Holocaust Tom Lawson, 2006 Explores the Church of England's understanding of the Third Reich and its impact on the reactions to and memory of the Holocaust in Britain Argues that the Anglican Church did not engage with the Third Reich through the prism of the persecution of the Jews English Christians commonly perceived Nazism as significant through its anti Christianity as an attack on Christian culture and not through its antisemitism In the 1930s the Church was opposed to war but when Nazi antisemitism became much more pronounced after 1938 the Church incorporated this persecution into its image of Nazism as anti Christian While there was some concern for Jewish victims especially on the part

of George Bell and William Temple particular concern was expressed for the German Christian victims of totalitarianism This led the Anglican Church after the war to favor reconstruction of West Germany as a buffer against communism and anti Christianity The Church objected to war crimes trials as being opposed to Christian forgiveness vs the Jewish value of vengeance a view which sought to reduce the significance of Nazi antisemitism and the Holocaust *Demonizing the Jews* Christopher J. Probst, 2012-06-08 An insightful analysis of the ways in which Protestant reformer Martin Luther's anti Jewish writings were used by German Protestants during the Third Reich Contemporary Church History Quarterly The acquiescence of the German Protestant churches in Nazi oppression and murder of Jews is well documented In this book Christopher J Probst demonstrates that a significant number of German theologians and clergy made use of the 16th century writings by Martin Luther on Jews and Judaism to reinforce the racial antisemitism and religious anti Judaism already present among Protestants Focusing on key figures Probst's study makes clear that a significant number of pastors bishops and theologians of varying theological and political persuasions employed Luther's texts with considerable effectiveness in campaigning for the creation of a de Judaized form of Christianity Probst shows that even the church most critical of Luther's anti Jewish writings reaffirmed the antisemitic stereotyping that helped justify early Nazi measures against the Jews A valuable contribution to our understanding of the churches under Nazism Lutheran Quarterly An insightful account of the convoluted echoes and reverberations of this deeply problematic aspect of Luther's legacy within German Protestantism over the longue dur e German Studies Review *The German Churches Under Hitler* Ernst Christian Helmreich, 1979 This book is an attempt to decipher just what went on in German churches during the Kirchenkampf in the era of Hitler what actions were taken for what reasons and with what effect on the churches themselves Preface
