The German Classics of the Nineteenth and Twentieth Centuries, Vol. 15 of 20 Kuno Francke, 2016-10-20 Excerpt from *The German Classics of the Nineteenth and Twentieth Centuries Vol 15 of 20 Masterpieces of German Literature Translated Into English*. It is a particular satisfaction that the gracious permission of His Majesty the German Emperor made it possible to link him here through selections from his speeches dealing with religion, social reform, art, education and Sport with those other three intellectual leaders of contemporary Germany and the Editors and Publishers of the German Classics. We desire in this place also to express their sincere gratitude for the favor bestowed upon them. That Max Klinger and Hans Thoma should have been foremost among the artists selected for the illustration of this volume needs I believe no explanation.
