The German Fifth Column In The Second World War:

The German Fifth Column in the Second World War Louis de Jong,1973 **The German Fifth Column in the Second World War** Louis Jong,1973 *The German Fifth Column in the Second World War* L. de Jong,2003-01-01 **The Fifth Column in World War II** Robert Loeffel,2015-07-21 Alarming levels of fear and suspicion developed in Australia following the German victories in Europe of 1940 It was believed the Nazis had prepared an army of subversives a Fifth Column to undermine the war effort These suspicions plagued the Australian home front for much of the war *The German Fifth Column in the Second World War* Hugh Gough,Louis De Jong,1988 Originally published in English in 1956 this book is divided into 3 parts the first outlines how after 1933 those outside Germany began to become increasingly afraid of sinister operations on the part of German agents and the partisans of National Socialism The second part examines the role of the German Fifth column during the war and the third part analyses the role of the groups which were living outside Germany at the time Hitler started his assault *The German Fifth Column in the Second World War* Louis de Jong,1956 The German Fifth Column in the Second World War ... Translated ... by C.M. Geyl Louis de JONG,C. M. GEYL,1956 The Civilianization of War Andrew Barros,Martin Thomas,2018-08-09 Distinguishing between civilians and combatants is a central aspect of modern conflicts Yet such distinctions are rarely upheld in practice The Civilianization of War offers new ways of understanding civilians exposure to violence in war Each chapter explores a particular approach to the political legal or cultural distinctions between civilians and combatants during twentieth century and contemporary conflicts The volume as a whole suggests that the distinction between combatants and non combatants is dynamic and oft times unpredictable rather than fixed and reciprocally understood Contributors offer new insights into why civilian targeting has become a strategy for some and how in practice its avoidance can be so difficult to achieve Several discuss distinct population groups that have been particularly exposed to wartime violence including urban populations facing aerial bombing child soldiers captives and victims of sexual violence The book thus offers multiple perspectives on the civil military divide within modern conflicts an issue whose powerful contemporary resonance is all too apparent The 'Red Terror' and the Spanish Civil War Julius Ruiz,2014-04-30 This study challenges the common view that extrajudicial executions in Republican Spain in July 1936 were the work of criminal or anarchist uncontrollables **The Fifth Column in World War II** Robert Loeffel,2015-07-21 Alarming levels of fear and suspicion developed in Australia following the German victories in Europe of 1940 It was believed the Nazis had prepared an army of subversives a Fifth Column to undermine the war effort These suspicions plagued the Australian home front for much of the war
