Adventures in Paranormal

Investigation Joe Nickell,2014-04-23 Tales of alien abductions miraculous relics and haunted castles have attracted believers and skeptics across the globe for centuries Paranormal investigator Joe Nickell tackles the world s most seemingly inexplicable myths in Adventures in Paranormal Investigation With four decades of experience in the field Nickell employs skepticism and scientific analysis to pull truth from the mires of false evidence and trickery that surround both old and new legends and mysteries Unlike authors who engage in hype and sensationalism in order to foster or debunk myths Nickell

approaches each case with a rational and scientific approach intended to find the truth Occam's Razor all things being equal the simplest solution is the best one is a principal instrument in his investigative toolbox as well as the belief that it is the claimant's responsibility to provide the extraordinary proof required in such extraordinary cases Adventures in Paranormal Investigation features Nickell's on site explorations in unusual phenomena Among the forty unique cases Nickell examines mysteries ranging from snake charmers who purport to hold influence over the reptiles to the Holocaust victims who reportedly haunt a gas chamber in Dachau to Lake Simcoe's resident lake monster Igopogo in Canada In addition to the case studies Nickell analyzes how the propensity to fantasize can affect human perceptions of and belief in paranormal activity and how his personal experience with the paranormal was altered when intuition led to the discovery of a daughter he didn't know existed More than just another myth busting text Adventures in Paranormal Investigation brings together reason and scientific analyses to explain both the phenomena and the role of human perception therein establishing Nickell as the foremost paranormal investigator of our time The Secret of Devil Mountain Beverly Van Hook, 1988-10 Supergranny and friends set out to help a relative in the Appalachian Mountains and become entangled in international intrigue
