The Ghost Stories Of Muriel Spark:

The Ghost Stories of Muriel Spark Muriel Spark, 2013-02-15 Eight spooky stories from the mistress of the unexpected I aim to startle as well as please Muriel Spark has said and in these eight marvelous ghost stories she manages to do both to the highest degree As with all matters in the hands of Dame Muriel her spooks are entirely original A ghost in her pantheon can be plaintive or a bit vengeful or perhaps may not even be aware of being a ghost at all One in fact is the ghost of a man who isn't even dead yet Another takes the bus home from work believing she is still alive though she is haunted by an odious tune stuck in her head which her murderer had been relentlessly humming and distressed by a feeling of incompleteness And a reflective ghost recalls her mortal days of enjoying the glory of the world as if it would never pass Spark has a flair for confiding ghosts I must explain that I departed this life nearly five years ago But I did not altogether depart this world There were those odd things still to be done which one's executors can never do properly In her case the odd things include cheerily hailing her murderer Hallo George and driving him mad The remarkably nonchalant stories here include some of her most wicked and famous The Seraph and the Zambesi The Hanging Judge and The Portobello Road and they all gleam with that special Spark sheen the quality The Times Literary Supplement has hailed as gloriously witty and polished

Ghost Stories by British and American Women Lynette Carpenter, Wendy K. Kolmar, 2015-01-28 Originally published in 1998 and covering a tradition ignored by most critics this bibliography assembles and documents a large body of supernatural fiction written by women in English from the end of the 18th century to the present These stories the work of women whose literary reputations personal histories and bodies of work vary widely challenge the narrow way in which supernatural literature has traditionally been regarded they indicate a much richer and more complex set of literary responses to the supernatural than has been hitherto acknowledged The writers included range from Ann Radcliffe and the Gothic novelists to Louisa May Alcott Charlotte Gilman and Edith Wharton to such modern writers as Elizabeth Bowen Jean Rhys Muriel Spark and A S Byatt The volume will be of interest to literary and cultural historians and of particular importance to women's studies scholars

British Women Short Story Writers Emma Young, 2015-06-30 Essays tracing the

evolving relationship between British women writers and the short story genre from the late Nineteenth Century to the present day *The Omnibus of 20th-century Ghost Stories* Robert Phillips,1990 Haunted houses and demon lovers anxious states of mind and revenge are some of the themes of the modern ghost story This book is an anthology of ghost stories by authors such as Graham Greene Dylan Thomas Muriel Spark John Updike Jean Rhys and E M Forster **Against the Forgetting** Hans Faverey,2004 A stunning selection of poems from the great twentieth century Dutch poet *Martin and Meditations on the South Valley* Jimmy Santiago Baca,2013-11-20 Fiercely moving the two long narrative poems of Martin what makes his writing so exciting to me is the way in which it manifests both an intense lyricism and that transformative vision which perceives the mythic and archetypal significance of life events **Memoirs** Tennessee Williams,2015-06-22 For the old crocodile as Williams called himself late in life the past was always present and so it is with his continual shifting and intermingling of times places and memories as he weaves this story When *Memoirs* was first published in 1975 it created quite a bit of turbulence in the media though long self identified as a gay man Williams candor about his love life sexual encounters and drug use was found shocking in and of itself and such revelations by America's greatest living playwright were called a raw display of private life by The New York Times Book Review As it turns out thirty years later Williams look back at his life is not quite so scandalous as it once seemed he recalls his childhood in Mississippi and St Louis his prolonged struggle as a starving artist the overnight success of *The Glass Menagerie* in 1945 the death of his long time companion Frank Merlo in 1962 and his confinement to a psychiatric ward in 1969 and subsequent recovery from alcohol and drug addiction all with the same directness compassion and insight that epitomize his plays And of course *Memoirs* is filled with Williams amazing friends from the worlds of stage screen and literature as he often hilariously sometimes fondly sometimes notremembers them Laurette Taylor Gore Vidal Truman Capote Elia Kazan Marlon Brando Vivian Leigh Carson McCullers Anna Magnani Greta Garbo Elizabeth Taylor and Tallulah Bankhead to name a few And now film director John Waters well acquainted with shocking the American public has written an introduction that gives some perspective on the various reactions to Tennessee's *Memoirs* while also paying tribute to a fellow artist who inspired many with his integrity and endurance *Glass, Irony, and God* Anne Carson,1995 Anne Carson's poetry characterized by various reviewers as short talks essays or verse narratives combines the confessional and the critical in a voice all her own Known as a remarkable classicist Anne Carson in *Glass Irony and God* weaves contemporary and ancient poetic strands with stunning style This collection includes *The Glass Essay* a powerful poem about the end of a love affair told in the context of Carson's reading of the Bronte sisters *Book of Isaiah* a poem evoking the deeply primitive feel of ancient Judaism and *The Fall of Rome* about her trip to find Rome and her struggle to overcome feelings of a terrible alienation there
