an eyebrow clearly confused Germ King Are you are you here for our new special sanitizer the Super Power Cleanser Yes That one It will help me defeat the Germ King and I ll be the hero of Kasukabe ShinChan yelled with confidence The clerk chuckled and handed ShinChan a small bottle that sparkled with a rainbow glow This is our best product It s so strong it can even banish the most stubborn germs ShinChan proudly held the bottle like a treasure and marched out of the store But just as he was about to exit he spotted a huge poster on the wall with a drawing of a scary giant germ wearing a crown The Germ King There he is ShinChan pointed dramatically We have to stop him before he spreads germs everywhere Chapter 3 The Germ King Strikes That afternoon after a quick snack and more cereal mishaps ShinChan gathered his friends Kazama Nene and Bo at the park to begin his germ fighting mission They all sat around the picnic table listening to ShinChan explain his plan So you want us to help you fight the Germ King by using hand sanitizer Kazama asked skeptically Exactly ShinChan said with enthusiasm We need to be prepared Kazama you bring your cool headband Nene you bring your attitude and Bo you bring your um strength Bo smiled and flexed his muscles ready for the adventure Bo can do it The gang marched through Kasukabe their spirits high But just as they passed by the park fountain something strange happened A giant shadow loomed over them It was the Germ King a huge slimy creature made of floating glowing germs He was holding his crown a giant toothbrush and a wicked grin spread across his germy face Ahh The heroes of Kasukabe think they can stop me with a little bottle of hand sanitizer the Germ King sneered Chapter 4 The Showdown ShinChan stood tall gripping his bottle of Super Power Cleanser You re going down Germ King he declared and with a dramatic swish he sprayed the sanitizer all over the air The Germ King laughed but to his surprise the sanitizer made his body start to shrink What is this This this can t be ShinChan s friends jumped into action Kazama threw a ball of clean cotton Nene sprayed a disinfectant spray she d found and Bo just stood there looking confused The Germ King who had shrunk to half his size started to retreat This isn t over You may have won this round but there are more germs in the world than you can imagine The gang cheered as the Germ King disappeared into a puff of smoke leaving only a few harmless germs behind Chapter 5 The Victory Back at the park the kids celebrated their victory We did it ShinChan exclaimed Kasukabe is safe from germs and we re the heroes Kazama shook his head grinning I can t believe it but we really did save the day And I m not even sick Nene added inspecting her hands with pride Yeah And my mom said I could eat cookies because I saved the world ShinChan cheered as he ran home his friends trailing behind him Epilogue The New Normal From that day forward the kids of Kasukabe became the guardians of cleanliness making sure that everyone had a bottle of Touchland in their bag to stop the evil germs from taking over And though the Germ King was gone they always remembered the importance of staying safe and clean And of course ShinChan kept up his usual mischief but at least he had a good excuse for all that hand sanitizer
