The Global Christ:

The Global Christ Roy Lawson Tawes, 2013-10 This is a new release of the original 1945 edition *The Global Edwards* Rhys S. Bezzant, 2017-10-20 In a globalized world networks are key whether they are networks of people ideas or interests In this volume of essays on the texts and teachings of Jonathan Edwards contributors from each continent ask questions about how the world of Edwards explains or illuminates the world of today whether in the area of systematics missions historiography politics church planting or biblical studies Such diverse discourses enrich the networks of scholarship that the contributors represent and provide a global snapshot of contemporary research in Edwards studies These papers were presented in August 2015 at the Jonathan Edwards Congress held at Ridley College in Melbourne Australia where personal engagement with the topics at hand made the worldwide network of Edwards aficionados and scholars not merely a virtual aspiration but an experience in time and space This book will not only inform its readers but surprise them as well as they track the power of eighteenth century theological ideas in the late modern world **The Global Flora** Maarten M.J. Christenhusz, Michael Fay, James W. Byng, 2018-02-09 *Local Theology for the Global Church* Matthew Cook, Rob Haskell, Ruth Julian, 2010-06-01 As the church in the global south continues to grow at a rapid pace the question of how to develop local theologies becomes more and more urgent This book charts a path forward through exegetical theological and cultural analysis by scholars who are wrestling with the issues in their own situations around the globe The contents were developed under the auspices of the World Evangelical Alliance Theological Commission at the Oxford contextualization consultation This book was published in partnership with the World Evangelical Alliance *The ^AGlobal Politics of Jesus* Nilay Saiya, 2022-05-20 Blending normative public theology and empirical political science Nilay Saiya formulates and applies an ethic of Jesus to the realm of global politics Rejecting conventional theories he makes the argument that the ethic of Jesus calls for the church to avoid seeking special favor with the state even as it strives to engage with and uplift the world around it through its prophetic witness Using global data and case studies *The Global Politics of Jesus* examines the paradox of privilege with respect to some of the most important areas in contemporary global politics violence and persecution human rights foreign policy and peace and reconciliation and considers its implications for the church itself *Spiritual Formation for the Global Church* Ryan A. Brandt, John Frederick, 2021-10-19 The church is a global body of believers called to grow in Christ Yet too often it privileges a few voices and ignores the practical dimensions of the faith Offering a multi denominational multi ethnic vision this volume brings together biblical scholars theologians and practitioners from around the world to pursue a theology and praxis of spiritual formation for the global church *The Global God* Áida Besançon Spencer, William David Spencer, 1998-05-01 A global Christian manifesto in which contributors examine attributes of God the ones that are most understood in today s culture and the ones that need to be more fully apprehended *The Palgrave Handbook of Global Mormonism* R. Gordon Shepherd, A. Gary Shepherd, Ryan T. Cragun, 2020-11-12 This handbook explores

contemporary Mormonism within a global context The authors provide a nuanced picture of a historically American religion in the throes of the same kinds of global change that virtually every conservative faith tradition faces today They explain where and how the Church of Jesus Christ of Latter day Saints has penetrated national and cultural boundaries in Latin America Oceania Europe Asia and Africa as well as in North America beyond the borders of Mormon Utah They also address numerous concerns within a multinational multicultural church What does it mean to be a Latter day Saint in different world regions What is the faith s appeal to converts in these places What are the peculiar problems for members who must manage Mormon identities in conjunction with their different national cultural and ethnic identities How are leaders dealing with such issues as the status of women in a patriarchal church the treatment of LGBTQ members increasing disaffiliation of young people and decreasing growth rates in North and Latin America while sustaining increasing growth in parts of Asia and Africa

The Global Solutions Rev. Samuel Bakare,2010-11-29 The book is based on global economic and social crisis today and in the future and how to solve some of this global chaos and crisis
