The Gnomes of the Dead Rivers Dan De Quille,1990-12-01 The Gnomes of the Dead Rivers Dan De Quille,1990

The Sagebrush Anthology Lawrence I. Berkove,2006 Sixty eight selections representing writers who spent their creative years in Nevada from the 1860s to the early twentieth century and have become known as the Sagebrush School Features Mark Twain Dan De Quille Sam Davis Joe Goodman and Rollin Daggett and lesser known writers Arthur McEwen Fred Hart and others Provided by publisher *A Companion to the Regional Literatures of America* Charles L. Crow,2008-04-15 The Blackwell Companion to American Regional Literature is the most comprehensive resource yet published for study of this popular field The most inclusive survey yet published of American regional literature Represents a wide variety of theoretical and historical approaches Surveys the literature of specific regions from California to New England and from Alaska to Hawaii Discusses authors and groups who have been important in defining regional American literature *Dead River Oaks* Joachim Matschoss,2006-05 We hadn t planned that walk We had never planned anything It happened and other times it didn t We had intended just to sit for a while watch the birds dive or swoop across the surface but somehow we started to discuss religion and politics and as always I was the one listening and Karla talked I m sorry Lisa I guess it s because I rarely have a chance to talk When I m with him I barely get the chance to talk Somewhere between Heidegger and the role of Lothar Sp th in the collapse of the Christian Democrats led government in one of the Southern states of Germany she told me that she had recently dreamt of my hair and how much she would like to lift its thick mass off my shoulders loved to touch its magnificence I felt good despite the awkward placement of this compliment but before I could reply a thank you on my lips she began to talk about Martin and the blown light bulb in the study which had annoyed him for a couple of days now Why don t you change it I said with a smile and was surprised that I had spoken A love triangle leads to tragedy in this unconventional mystery The story opens with the death of a woman named Karla The police and the coroner agree that it was suicide but suspicion abounds Two people certainly had motivation to do Karla harm Martin her common law husband who harbors bitterness over the time he caught Karla in flagrante delicto with another man and Lisa a woman with whom Karla was having an affair The story alternates between Martin s and Lisa s version of events before and after Karla s death Kirkus Discoveries *The River Keepers* Michael F. Stewart,2017-12-01 **Updating the Literary West** ,1997 Western writers says Thomas J Lyon in his epilogue to *Updating the Literary West* have grown up with the frontier myth but now find themselves in the early stages of creating a new western myth The editors of the *Literary History of the American West* TCU Press 1987 hoped that the first volume would begin not conclude their exploration of the West s literary heritage Out of this hope comes *Updating the Literary West* a comprehensive reference anthology including essays by over one hundred scholars A selected bibliography is included with each piece In the ten years since publication of *LHAW* western writing has developed a significantly larger presence in the national literary stream A variety of cultural viewpoints have developed along

with new tactics for literary study New authors have risen to prominence and the range of subjects has changed and widened Updating the Literary West looks at topics ranging from western classics to cowboys and Cadillacs and considers children s literature ethnicity environmental writing gender issues and other topics in which change has been rapid since publication of LHAW This volume again affirms the West s literary legitimacy status hard earned by the Western Literary Association and the lasting place of popular western writing as part of the growing and changing literary and American experience An excellent reference for a wide range of readers and an invaluable resource for scholars and libraries Selected list of contributors James Maguire Fred Erisman Susan J Rosowski Gerald Haslam Tom Pilkington A Carl Bredahl Richard Slotkin John G Cawelti Robert F Gish Ann Ronald Mick McAllister
