information Tips on booking venues for the weekend or day away Advice on organizing guest services Alpha is based on a pattern found in the New Testament of people bringing their friends family and work colleagues to meet Jesus Alpha is an easy way to say to friends Come and see come and explore your questions come and hear about Jesus come and see for yourself Everyone is welcome at Alpha but the program is designed especially for people who would not describe themselves as Christians or church goers The Alpha Series Workbook John Glenn,Jim Groth,2006-10 What is the Alpha Series Is it a program Is it a religion The simplest answer is that the Alpha Series explains the gospel of Jesus Christ in a way that ordinary people can understand and apply it to themselves What makes the Alpha Series effective as a counseling model discipleship course training curriculum or recovery tool is the fact that it is a practical application of the gospel which is the power of God unto salvation to everyone that believeth Romans 1 16 People are hungry for the gospel of grace but turned off by religion Because the Alpha Series is not religious but biblical in nature most people will be receptive to the teaching regardless of their background and life experience Religion is man s attempt to manipulate deity by what he says or does Biblical Christianity is a personal relationship with God based on believing in what He has done for us in Christ that we could not do for ourselves The Alpha Series is simply an explanation of what the Bible says that God has done to make us worthy as persons Whenever the gospel is taught it is the power of God that changes the lives of all who believe it The Alpha Series is constructed in three main parts Part one describes the manner in which personal and relational problems develop from the core emotions of fear of rejection and fear of failure due to low self esteem The insight gained in understanding how problems develop sets the stage for the application of the gospel of Jesus Christ as the only workable solution Part two provides a biblical foundation on which to build a healthy self image based entirely upon our new identity in Christ The good news of our union with Christ is applied to the daily task of allowing ourselves to be transformed by the renewing of the mind Part three carries the gospel of our new identity in Christ to the logical end of ministering to the needs of others Having been assured of our personal security in all that God has done for us in Christ we have the confidence and power to concern ourselves with helping others True recovery is not complete until we learn to minister rather than manipulate For additional information on the Alpha Series and its application visit the Alpha Ministries website at www.alphaministries.org **Being Real** Philip Plyming,2023-10-28 In an age of carefully managed public profiles presented via Instagram or BeReal or even the public presentation of our churches Paul s stories of hardship in his letters to the Corinthians draw us to a different relationship with ourselves and our communities one which enables to tell authentic stories about ourselves warts and all In his deep and careful study of the epistles to the Corinthians Philip Plyming demonstrates how Paul calls the Corinthian Christians to a way of living which stands in stark contrast from the prevailing culture of Corinth and argues that there are profound lessons to be learnt for faithful Christians and churches today The Guilt Project Vanessa Place,2010-03-23 An English court in 1736 described rape as an accusation easily to be made and hard to be proved and harder to be defended by

the party accused though never so innocent To prove the crime the law required a woman to physically resist to put up a hue and cry as evidence of her unwillingness Beginning in the 1970s however feminist and victim advocacy groups began changing attitudes toward rape so the crime is now seen as violent in itself the legal definition of rape now includes everything from the sadistic serial rapist to the eighteen year old who has consensual sex with a fourteen year old This inclusiveness means there are now more rapists among us And more of rape s camp followers the prison makers the community watchdogs law and order politicians and the real crime real time entertainment industry Vanessa Place examines the ambiguity of rape law by presenting cases where guilt lies but lies uneasily and leads into larger ethical questions of what defines guilt what is justice and what is considered just punishment Assuming a society can and must be judged by the way it treats its most despicable members The Guilt Project looks at the way the American legal system defines prosecutes and punishes sex offenders how this Dateline NBC justice has transformed our conception of who is guilty and how they ought to be treated and how this has come to undo our deeper humanity

Evangelical Hospitality Tory K. Baucum, 2008 Christian faith is always a leap When the leap takes particularly long in a society the Church has characteristically shortened that leap through a process approach to winning seekers known as catechetical evangelism Author Tory Baucum explores catechumenal evangelism in the early Church and its recovery in the early modern period in Methodism and late modernity or postmodernity in the Alpha course Baucum seeks to describe the salient features of catechetical evangelism and why it is effective at creating an environment that shortens the leap from unbelief to belief Evangelical Hospitality describes a church that has lost touch with its deep memory of evangelization the recovery of that memory in catechetical ministry and the kinds of practices this recovery spawns in the Church After describing the social construction of faith communities the bulk of the book examines four core practices which are entailed in creating cultures of faith places where believing in Christ becomes plausible and possible The book concludes with some perennial principles from Christian communities who learn to construct faith cultures
