The Golden Mile To Murder:

The Golden Mile to Murder Sally Spencer, 2012-09-01 When a bobby is killed in Blackpool Chief Inspector Charlie Woodend takes a ride through England's wild side to get to the bottom of a mystery. The investigation into the brutal murder of a Blackpool policeman during holiday season was never going to be easy but the case is not Chief Inspector Woodend's only problem. His new boss DS Ainsworth is just waiting for an opportunity to stick a knife in his back and his invaluable assistant Bob Rutter has been replaced by a sergeant more intent on advancing her own career than helping him. Then it appears the Blackpool police seem to think it might be better if the killer were never found. Should give the reader a shiver or two. Publishers Weekly. Unique settings and psychological details supplement Woodend's usual antics, a surefire series addition. Library Journal

Fatal Quest Sally Spencer, 2013-12-20 After the dramatic events in *Dying Fall* Woodend reminisces on his long career in a brand new story. You should have worked out by now that nobody wants this case solved. These words delivered by Eddie, a Liverpool thug brought down to London especially to put the frighteners on him, send a shiver down newly promoted DS Charlie Woodend's spine. Because Eddie is right. Nobody does seem interested in bringing the killer of sixteen-year-old Pearl Jones to justice. Not DCI Bentley, Woodend's immediate boss. Not Deputy Commissioner Naylor, whose word is law in Scotland Yard. Not even the dead girl's mother herself. But Woodend cares. Working alone sifting through the rubble of bombed-out post-war London and building up a picture of a life cut short, he is assailed by a growing anger and a deepening sorrow. He will find the murderer, he promises himself, even if that means putting his career and perhaps even his own life on the line.

Golden Miles Clinton Walker, 2009 *Golden Miles* is a book about cars, people, and Australia in the late 60s and early 70s. With the energy and irreverent humour of a fanzine, the acuity of investigative journalism, and the eye of an art book, this new expanded edition of *Golden Miles* explores the archetypal product of Australian suburbia: the muscle car. Clinton Walker is the author of seven books and several hit documentaries, including the 2001 series on the history of Australian rock, *Long Way to the Top*. A rambling journey that's provocative and lavishly illustrated, as much for pop culture lovers as rev heads. Sydney Morning Herald

Blackstone and the New World Sally Spencer, 2011-04-01 The new Inspector Sam Blackstone mystery. July 1900 New York City. Sam Blackstone has gone to New York to pick up a prisoner but he soon finds himself drafted in to investigate the murder of Inspector O'Brien, who is famed for rooting out police corruption. Working with an enthusiastic young detective who worshipped O'Brien, Blackstone scours the city in search of the killer. And the more he searches, the more he becomes convinced that the police department doesn't really want the murder to be solved.

The Dark Lady Sally Spencer, 2012-08-01 Chief Inspector Charlie Woodend will have to rely on his observational gifts to have a ghost of a chance in solving his latest murder case. The night after the mysterious appearance of the legendary Dark Lady on the road outside Westbury Park, a German efficiency expert, Gerhard Schultz, is found battered to death in the woods and Chief Inspector Charlie Woodend is faced with his most puzzling case yet. Why did

Schultz seem so frightened when on his colleagues mentioned the legend of the Dark Lady Did the workers at the BCI chemical factory many of whom are known to hate the Germans have anything to do with his death How could Fred Foley the tramp whose bloodstained overcoat was found close to the scene of the crime have completely disappeared And is this murder connected with one which occurred in Liverpool nearly twenty years earlier A very successful British procedural nicely complicated by leftovers from both local lore and the war Library Journal Excellent work from a too little known author Booklist Blackstone and the Wolf of Wall Street Sally Spencer,2011-04-01 A resourceful hero complements a sophisticated plot Publishers Weekly Starred Review The new Inspector Sam Blackstone mystery August 1900 William Holt a reclusive millionaire businessman has been kidnapped from his grand Coney Island home after the brutal murder of his two bodyguards Soon a huge ransom is demanded and the victim s two sons are given just days to find the money Inspector Sam Blackstone now seconded to the New York Police Department and his partner Alex Meade are charged with solving the case but they ll need to keep their wits about them if they are to solve it in time *Dangerous Games* Sally Spencer,2013-12-01 Five little Englishmen feeling quite secure one went and lost his head and then there were four When Terry Pugh s headless body is found floating in the canal DCI Woodend at first believes that Pugh had merely miscalculated the amount of rope he needed to hang himself But why would Pugh commit suicide when he had a loving wife who was expecting their first baby and was just about to start an exciting new job Other disturbing questions soon follow in the first body s wake Who was the mysterious stranger Pugh was seen with just before he died What is the connection between him and the down and out who suffers a similar fate to his only twenty four hours later And how many more men are intended to die As the investigation proceeds Woodend and his team come to realize that the key to solving the crimes is hidden in the past and on an island far far away Red Herring Sally Spencer,2012-12-22 The discovery of the body of a young red haired school mistress lying in a pig pen with her face half eaten away is the beginning of a new investigation for Charlie Woodend But it is to be an investigation he is soon ordered to abandon when Helen Dunn the daughter of Wing Commander Dunn and a pupil at the school where the dead woman taught suddenly vanishes into thin air While Woodend and Rutter race against time in the desperate hope of finding the girl alive Woodend s bagman Monika Paniatowski continues to work on the murder under the supervision of the mysterious Chief Inspector Horrocks a Scotland Yard man who seems to have only a mild interest in finding the killer Are the two cases connected Woodend begins to wonder And if they are who is it who seems to be blocking both investigations at every turn **Sins of the Fathers** Sally Spencer,2013-11-01 A politician spills his guts all over the road The discovery of Bradley Pine s body in a lay by off a busy road clearly signals the end of his bid to win the local bye election But what is even clearer from the state in which the corpse is found is that this is no ordinary murder Why would the killer run the risk of dumping the body in such a public place DCI Charlie Woodend asks himself And even more significantly why should he post mortem decide not only to reduce his victim s mouth to a pulp but also to partly disembowel him With the

election looming and Chief Constable Marlowe Woodend's old enemy taking over Pine's place as candidate the pressure is on to come up with a result Any result But the more Woodend learns of the case the more he comes to believe that not only is the motive behind the murder at least as bizarre the crime itself but that the origins of the crime lie in a mountain climbing tragedy which occurred three years earlier Enemy Within Sally Spencer,2013-02-01 a standout among her reliably entertaining procedurals Kirkus Starred Review The tenth in the acclaimed Inspector Woodend series There had never been a murder in Whitebridge like this one What kind of man would decide to slash the throat of an inoffensive middle aged widow who was already terminally ill Why did he decide to place her lifeless body in the middle of a children's bonfire and then set it alight It is the most difficult and complex case in Woodend's career but the two people he most relies on DI Rutter and DS Paniatowski are being torn apart by their personal problems As he struggles on almost single handedly he comes to the reluctant conclusion that he is being forced to participate in the killer's game without even knowing the rules Yet one thing at least is plain from the beginning For the game to continue there must be more deaths
