historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we
concur that this work is important enough to be preserved reproduced and made generally available to the public We
appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge
alive and relevant [The Genesis of the New England Churches, Vol. 1 \(Classic Reprint\)](#) Leonard Bacon, 2017-09-17 Excerpt
from The Genesis of the New England Churches Vol 1 A few words will sufficiently explain to the reader of this book the
design of the author The history of Protestant Christianity in the United States of America is the history not of a national
church but Of voluntary churches I have attempted to show how it began and to trace the origin and development of the idea
which generated the churches of New England It is hardly necessary to say that the Baptist churches a name which in the
United States comprehends more churches than any other save one are constituted on the same platform of polity with the
church which came in the Mayflower I have had no occasion to speak of them or of their influence in giving character to our
American civilization inasmuch as the history of churches bearing that name on this side of the Atlantic begins later than the
latest date in the volume now submitted to the public It has been claimed for those churches that from the age of the
Reformation onward they have been always foremost and always consistent in maintaining the doctrine of religious liberty
Let me not be understood as calling in question their right to so great an honor About the Publisher Forgotten Books
publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction
of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving
the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such
as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections
successfully any imperfections that remain are intentionally left to preserve the state of such historical works *A History of*

the Congregational Churches in the United States Williston Walker, 1894 **The American Church History Series** ,1900
