**The Ghan** Basil Fuller,1978      **Australia's Muslim Cameleers** Philip Jones,Anna Kenny,2010 Between 1870 and 1920 as many as 2000 cameleers and 20 000 camels arrived in Australia from Afghanistan and northern India Australia s Muslim Cameleers is a rich pictorial history of these men their way of life and the vital role they played in pioneering transport and communication routes across outback Australia s vast expanses Many of the images and artefacts in this fascinating account are published here for the first time and this new edition contains additions to the biographical listing of more than 1200 cameleers      **The Adventures of a Train Trekker** Adriana Carboni,2021-11-09 I wrote this book to share the excitement spirit and adventure of long distance train travel I hope that train trekkers and future trekkers alike will enjoy reading this book as much as I enjoyed writing it Adriana Sydney 2021

History of the World in 500 Railway Journeys Sarah Baxter,2019-06-01 History is everywhere and is never as complete as when it can be accessed on a part of history itself The locomotive is one of the great steps in progress of civilisation that undoubtably connects us to land and history that was shaped by the machine itself Although a basic form of railway or rutway did exist in Ancient Greek and Roman times notably the ship trackway between Diolkos and the Isthmus of Corinth around 600 BC it would take several thousand years before the first fare paying passenger service was launched in the early nineteenth century Some two hundred years on it is possible to travel by train to some of the world s most remote and remarkable destinations and track the many wonderful legacies of the Earth s extensive history man made and otherwise From prehistoric rock formations to skyscraper cities slow steam engines to high speed bullet trains let A History of the World in 500 Railway Journeys be your guide Through its beautifully illustrated pages and 500 awe inspiring railway journeys you can chart your own transcontinental itinerary through time Chug through canyons steam past ancient monuments speed through cities luxuriate in the railcars of presidents and queens or make express connections between key historical moments or epic eras A History of the World in 500 Railway Journeys has it all A must read for travellers railfans and history buffs alike offering inspiration and information in equal measure

*Where History Happened* Peter Spearritt,2018-09-01 Where History Happened reveals the hidden past of some of Australia s most intriguing towns and places from mining settlements and whaling stations to monuments and historic houses in our capital cities The stories that emerge of remote religious communities isolated penal colonies places of Indigenous incarceration and environmental degradation and rejuvenation describe a vast and complex country with a heritage worth preserving Part social architectural military political and industrial history part road trip travel companion this book has something for every reader      Our Heart is the Land Bruce Shaw,1995 A collection of stories about the social life and customs of Aborigines from the Western Lake Eyre Basin      **Beyond the Black Stump** Alan Mayne,2008 Historians have had little to say about the lands that stretch beyond the black stump These essays from around the country build inland Australia into our national history crisscrossing both the nineteenth and twentieth centuries Contributors are Lorina Barker
