The Gift Of The Emperor:

The Gift of the Emperor E. W. Hornung, 2004-06-01 Not a hitch occurred Everything had been foreseen everything happened as I had been assured everything must Nobody was about below only the ship's boys on deck and nobody on the bridge It was twenty five minutes past one when Raffles without a stitch of clothing on his body but with a glass phial corked with cotton wool between his teeth and a tiny screw driver behind his ear squirmed feet first through the ventilator over his berth and it was nineteen minutes to two when he returned head first with the phial still between his teeth and the cotton wool rammed home to still the rattling of that which lay like a great grey bean within The Gift of Rain Tan Twan

Eng, 2009-05-05 In the tradition of celebrated wartime storytellers Somerset Maugham and Graham Greene Tan Twan Eng's debut novel casts a powerful spell The recipient of extraordinary acclaim from critics and the bookselling community Tan Twan Eng's debut novel casts a powerful spell and has garnered comparisons to celebrated wartime storytellers Somerset Maugham and Graham Greene Set during the tumult of World War II on the lush Malayan island of Penang The Gift of Rain tells a riveting and poignant tale about a young man caught in the tangle of wartime loyalties and deceptions In 1939 sixteen year old Philip Hutton the half Chinese half English youngest child of the head of one of Penang's great trading families feels alienated from both the Chinese and British communities He at last discovers a sense of belonging in his unexpected friendship with Hayato Endo a Japanese diplomat Philip proudly shows his new friend around his adored island and in return Endo teaches him about Japanese language and culture and trains him in the art and discipline of aikido But such knowledge comes at a terrible price When the Japanese savagely invade Malaya Philip realizes that his mentor and sensei to whom he owes absolute loyalty is a Japanese spy Young Philip has been an unwitting traitor and must now work in secret to save as many lives as possible even as his own family is brought to its knees **The Political Works of Thomas Hobbes (4 Books in One Edition)**

Roman Passions Ray Laurence,2010-09-30 In what may be the most in depth study yet published of a film star s body of work Susan Hayward charts the career of Simone Signoret one of the great French actresses of the 20th Century Signoret who won an Oscar in 1960 for her performance in *Room at the Top* was a key figure in French cinema for 40 years But it is not so much her longevity that impresses as it is the quality of work she produced as her career progressed She started out as a stunningly beautiful woman winning major international awards five times for her roles and yet was only moderately in demand during those years From the 1960s onwards when her looks began to decline significantly Signoret was in greater demand and produced most of her output She insisted on playing roles consonant with her real age and often chose to play roles that portrayed wher as even more ugly than she had become Simore Signoret The Star as Cultural Sign is a remarkable achievement a labor of love from one of the world s leading scholars of French cinema

Christ the Gift and the Giver Enoch O. Okode,2022-01-28 This book provides a close look at how Paul uses the Greco Roman royal benefaction system in Romans 5 1 11 as well as 5 12 8 39 to accomplish his theological purpose of portraying Jesus Christ as the supreme royal benefactor so that the Roman believers might faithfully respond to his reign now even as they anticipate glorification This study makes at least three significant contributions First at the lexical level it provides a reading that accounts for the benefaction motifs that permeate Romans 5 1 11 and Romans 5 12 8 39 Second it looks at the relationship between as used in Romans 5 2 and the Messiah s sacrifice as described in Romans 5 6 10 even as it asserts that Paul portrays Christ as a royal benefactor in ways that surprise the Greco Roman notion of brokerage and the expectation that a beneficiary would be willing to die for the sake of his benefactor Third the study demonstrates that

the Messiah's supreme benefaction demands appropriate reciprocity or fitting response Myriobiblos Theodora Antonopoulou, Sofia Kotzabassi, Marina Loukaki, 2015-03-10 This volume presents a broad array of contributions on Byzantine literature and culture in which well known Byzantinists approach topics of ceremonial education historiography hagiography homiletics law philology philosophy prosopography rhetoric and theology New editions and analyses of texts and documents are included The essays combine traditional scholarship with newer approaches thus reflecting the current dynamics of the field *The Spirit of Missions*, 1915 Includes the proceedings of the annual meeting of the Society **Mediated by Gifts**, 2016-11-21 Mediated by Gifts is a collection of essays by top scholars on gifts giving and the social and political forces that shaped these practices in medieval and early modern Japan The international assemblage of authors provides new insights into these deeply ingrained practices The essays focus on topics such as shogunal visits to shrines and temples exchanges between the imperial house and the shogun a physician and his patients the shogun his vassals his and his ladies the merchant class and the shogunal government and between scholars and their cosmopolitan circle of contacts This virtually unexplored view of Japanese history provides new tools to better elucidate both historical and modern Japan Contributors are Lee Butler Andrew Goble Kaneko Hiraku Laura Nenzi Ozawa Emiko Cecilia Segawa Siegle and Margarita Winkel **The Moral and Political Works of Thomas Hobbes of Malmesbury. Never Before Collected Together. To which is Prefixed, the Authors's Life, Extracted from that Faid to be Written by Himself, as Also from the Supplement to the Faid Life by Dr. Blackbourne; and Farther Illustrated by the Editor, with Historical and Critical Remarks on His Writings and Opinions** Thomas Hobbes, 1750 **Gifts of Clothing in Late Antique Literature** Nikki Rollason, 2016-07-15 Both clothing and gifts in the ancient world have separately been the subject of much scholarly discussion because they were an integral part of Greek and Roman society and identity creating and reinforcing the relationships which kept a community together as well as delineating status and even symbolising society as a whole They have however rarely been studied together despite the prevalence of clothing gifts in many ancient texts This book addresses a gap in scholarship by focusing on gifts of elite male clothing in late antique literature in order to show that when they appeared in texts these items were not only functioning in an historical or real life sphere but also as a literary space within which authors could discuss ideas of social relationships and authority This book suggests that authors used items which usually formed part of the costume of authority of the period the trabea of the consul the chlamys of the imperial court and the emperor and the pallium of the Christian bishops to over write wearers and donors as confident figures of official authority when this may have been open to doubt
