**A Tale of Two Lives** Helen Dale,2021-12-19 Inspirational story of award winning trans activist writer trainer and counsellor Helen Dale Having grown up as a RAF Brat and keen scout dreaming of being a pilot in the RAF she concealed a secret for decades before accepting in 1998 that she needed to transition Losing one job as a consequence she joined Greater Manchester Probation in 1999 As the first openly trans employee nationally she provided awareness training for probation and prison staff and others and became the de facto lead on trans issues She persuaded the then Lesbian and Gay staff association to extend its membership criteria to include trans and spent several years as chair She also helped to found a gender the UK pan Civil Service trans support network and was made an honorary life member when she retired in 2015 She served on local and national diversity boards and chaired a trans charity in Manchester as well as training as a counsellor Her work was recognised with several awards including a Butler Trust Award presented by HRH Princess Anne at Buckingham Palace A Tale of Two Lives tells how she came out to family and friends and how that might have been handled better It also covers her life after transition embarking on a range of activities learning to scuba dive qualifying as a yacht skipper fire breathing diving with sharks including Great Whites and holidaying around the world as part of a group or on solo trips showing that being trans is no barrier to living a full life what readers have said an excellent read and filled in some of the gaps in your eventful life It was a brave thing to write it but I would not expect anything less from you I ve read the book and found it very interesting down to earth no holds barred and for me personally extremely helpful in understanding a close relative in a similar situation Well done I look forward to the next one

**Children in Opera** Andrew Sutherland,2020-12-03 This book provides a musicological investigation into operas that include children Just over 100 works have been selected here for an in depth discussion of the composer the children and the productions and around 250 relevant works from around the world are also referenced Four composers to have most significantly proliferated the medium are

discussed in even greater detail César Cui Benjamin Britten Gian Carlo Menotti and Peter Maxwell Davies Since opera began it has been inextricably linked to society by reflecting and shaping our culture through music and narrative and as a result children have been involved Despite the contribution they played for several centuries their importance was overlooked By tracing the development of children's participation in opera this book uncovers the changing attitudes of composers towards them and how this was reflected in the wider society From the early productions of the seventeenth century to those of the twenty first century the operatic children's role has undergone a fundamental change It almost seems that contemporary composers of operas view the inclusion of children in some way as ubiquitous The rise of the children's opera chorus and the explosion of children's only productions attest to the changing view of the value they can bring to the art Some of the children to have characterised these roles are discussed in this book in order to redress the disproportionate lack of acknowledgement they often received for their performances Baseball Team Names Richard Worth, 2013-02-21

Professional baseball is full of arcane team names The Los Angeles Dodgers for instance owe their nickname to the trolley tracks that honeycombed Brooklyn in the early 1880s Residents were trolley dodgers From the Negro Leagues there were the Pittsburgh Crawfords sponsored early by the Crawford Bath House and Recreation Center from the minors the Tucson Waddies slang for cowboy and later the Montgomery Biscuits for the would be concessions staple from overseas the Adelaide Australia Bite a shark reference but also a pun for bight and the Bussum Netherlands Mr Cocker HCAW the sponsoring restaurant chain followed by the acronym for the official team name Honkbalclub Allan Weerbaar This comprehensive reference book explains the nicknames of thousands of major and minor league franchises Negro League and early independent black clubs and international teams from 1869 through 2011 **Musical Islands** Katelyn Barney, Brydie-Leigh Bartleet, Klisala Harrison, Elizabeth Mackinlay, 2009-05-05 The island is a powerful metaphor in everyday speech which extends almost naturally into several academic disciplines including musicology Islands are imagined as isolated and unique places where strange exotic different and unexpected treasures can be found by daring adventurers The magic inherent within this positioning of islands as places of discovery is an aspect which permeates the theoretical methodological and analytical boundaries of this edited book Showcasing the breadth of current musicological research in Australia and New Zealand this edited collection offers a range of subtle and innovative reflections on this concept both in established and well charted territories of music research
