The Glory Days In Goldfield Nevada:

The Glory Days in Goldfield, Nevada Sally Springmeyer Zanjani, 2002 An extensive photographic essay celebrating the centennial of the last gold rush on the western frontier Goldfield Ted Faye, 2023 There was a time when Goldfield Nevada was known around the world as a city growing in the desert seemingly out of nowhere with no natural resources except for the extremely rich and plentiful mineral found in the ground gold In England they were afraid the amount of gold mined in Goldfield would flood the market making gold worthless In Germany gold seekers heard of the riches and made their way to the remote desert site Those that had gone to Alaska for the great Klondike rush were now headed to Nevada Goldfield was the last great gold rush on the American frontier Discovered in 1902 its boom lasted about a decade and then came the inevitable and fateful decline Yet its story is largely unknown Nevada historians and scholars have documented Goldfield for years others have amassed vast collections of ephemera artifacts and photographs and some have even collected and restored the town's most impressive buildings Through personal photo albums and accounts of those who were there this book reflects life in Goldfield Nevada the last great American gold rush *The Longest Fight* William Gildea, 2012-06-19 Many people came to Goldfield Nevada America's last gold rush town to seek their fortune However on a searing summer day in September 1906 they came not to strike it rich but to watch what would become the longest boxing match of the twentieth century between Joe Gans the first African American boxing champion and Battling Nelson a vicious and dirty brawler It was a match billed as the battle of the races In *The Longest Fight* the longtime Washington Post sports correspondent William Gildea tells the story of this epic match which would stretch to forty two rounds and last two hours and forty eight minutes A new rail line brought spectators from around the country dozens of reporters came to file blow by blow accounts and an entrepreneurial crew's film of the fight shown in theaters shortly afterward endures to this day *The Longest Fight* also recounts something much greater the longer battle that Gans fought against prejudice as the premier black athlete of his time It is a portrait of life in black America at the turn of the twentieth century of what it was like to be the first black athlete to successfully cross the nation's gaping racial divide Gans was smart witty trim and handsome with one punch knockout power and groundbreaking defensive skills and his courage despite discrimination prefigured the strife faced by many of America's finest athletes including Jesse Owens Jackie Robinson and Muhammad Ali Inside the ring and out Gans took the first steps for the African American athletes who would follow and yet his role in history was largely forgotten until now *The Longest Fight* is a reminder of the damage caused by the bigotry that long outlived Gans and the strength courage and will of those who fought to rise above **Ghosts of Goldfield and Tonopah** Janice Oberding, 2015-06-08 Meet the prospectors forlorn widows and other spirits who haunt the historic remnants of Nevada's former boomtowns includes photos In the throes of early financial disaster the Silver State had little to entice newcomers or discourage residents from leaving Jim Butler's silver discovery at Tonopah changed everything With a subsequent gold discovery near Goldfield the
