Sinners and Saints George William Walter, 1973 Tells of the people and the times the history and the folklore of upstate New York

The Best Land Susan A. Brewer, 2024-10-15 In Susan A Brewer's fascinating *The Best Land* she recounts the story of the parcel of central New York land on which she grew up. Brewer and her family had worked and lived on this land for generations when the Oneida Indians claimed that it rightfully belonged to them. Why she wondered did she not know what had happened to this place her grandfather called the best land. Here she tells its story tracing over the past four hundred years the two families her own European settler family and the Oneida Mohawk family of Polly Denny who called the best land home. Situated on the passageway to the west the ancestral land of the Oneidas was coveted by European colonizers and the founders of the Empire State. The Brewer and Denny families took part in imperial wars the American Revolution broken treaties the building of the Erie Canal Native removal the rise and decline of family farms bitter land claims controversies and the revival of the Oneida Indian Nation. As Brewer makes clear in *The Best Land* through centuries of violence bravery greed generosity racism and love the lives of the Brewer and Denny families were profoundly intertwined. The story of this homeland she discovers unsettles the history she thought she knew. With clear determination to tell history as it was without sugarcoating or ignoring the pain and suffering of both families Brewer navigates the interconnected stories with grace humility and a deep love for the land. *The Best Land* is a beautiful homage to the people the place and the environment itself.

Upstate Cauldron Joscelyn Godwin, 2015-03-06 A guide to the phenomenal crop of prophets cults and utopian communities that arose in Upstate New York from 1776 to 1914. From 1776 to 1914 an amazing collection of prophets mediums sects cults utopian communities and spiritual leaders arose in Upstate New York. Along with the best known of these such as the Shakers Mormons and Spiritualists this book explores more than forty other spiritual leaders or groups some of them virtually unknown but all of them fascinating. The author uncovers common threads that characterize these homegrown spiritualities including roots in Western esoteric traditions liberation from the psychological pressures of dogmatic Christianity a preoccupation with sex and involvement in the radical reform movements of the day. In addition to maps and photographs of surviving buildings and monuments the book also features a gazetteer of sites listing 150 locations connected to these groups which may be used as a helpful travel guide to the region. The dean of alternative spiritual history produces one of his central and most thoughtful works in *Upstate Cauldron*. This book is more than a cauldron. It is a melting pot into which Joscelyn Godwin blends the diffuse and complex religious movements that once
