Sebastian Brünink

Sino Soviet Relations 1964 1965:

Sino-Soviet Relations, 1964-1965 William E. Griffith, 1983-01 Beginning with a detailed analysis of all aspects of Sino Soviet relations from November 1963 through November 1965 this summary takes up where the author's *The Sino Soviet Rift* left off and like it includes the text of or key excerpts from the main documents of the period This book first deals with Khrushchev's unsuccessful attempt to reactivate the collective expulsion or condemnation of the Chinese by an overwhelming majority of the world Communist movement the Chinese gains arising from his failure and the resultant growth of pluralistic tendencies among his supporters After Khrushchev's fall the book turns to the more indirect and therefore more successful policies of Brezhnev and Kosygin against the Chinese Beginning with the seventh Chinese Communist Party Congress the documentation includes Togliatti's Testament and the April 1964 Romanian Central Committee Statement and concludes with the October 27 1965 Pravda restatement of post Khrushchev foreign policy and the November 11 1965 Chinese attack on Moscow's united front policy on the Vietnam crisis *Sino-Soviet Relations, 1964-1965* Ronald Wilfred Gurney, 1967 *Sino-Soviet relations*, 1965 **Sino-Soviet Relations, 1964-1965. Analyzed and Documented by William E. Griffith** William E. Griffith, 1967 **The Sino-Soviet Dispute** Alfred D. Low, 1976 Provides an analysis of the conflict between the Soviet Union and the People's Republic of China focusing on the polemics Attempts to trace and analyze Soviet and Chinese policies toward each other on the basis of available documents and general evidence **The Cambridge History of China: Volume 15, The People's Republic, Part 2, Revolutions Within the Chinese Revolution, 1966-1982** Roderick MacFarquhar, John K. Fairbank, Denis Crispin Twitchett, 1991-11-29 In continuing the post revolution study started in Volume 14 Volume 15 considers the developments in Mao's thoughts and how they related to China's government The most comprehensive account of this turbulent period in Chinese history *Chinese Policy Toward Indonesia, 1949-1967* David Mozingo, 2007 China's alliance with Indonesia in the mid sixties appeared to be a spectacular achievement of diplomatic strategy yet it became a major foreign policy disaster for China To explore this turn about Professor Mozingo offers a persuasive analysis of the competing forces that shaped Beijing's policy towards Jakarta and the factors that ultimately led to its downfall He explains how and why Chinese policy in Indonesia shifted dramatically from hostility to peaceful coexistence and back again to hostility Although considerations of global strategy predominantly influenced the design and execution of that policy he writes the decisive factor affecting the outcome of the Sino Indonesian relationship consistently proved to be the domestic political processes in Indonesia over which Beijing had little or no control In the end China was unable to resolve the contradiction between considerations of realpolitik and of its own revolutionary ethos He argues that this same contradiction is responsible for the highly ambivalent attitude that Beijing has displayed in its relations with other non communist Asian countries since 1949 Through this informed analysis of the Sino Indonesian relationship now brought back to life as a member of Equinox Publishing's Classic Indonesia series Professor Mozingo has clarified the larger pattern

of China's evolving diplomatic strategy in the Third World before the Cultural Revolution DAVID MOZINGO is Professor of Government and Director International Relations of East Asia Project at Cornell University A graduate of the University of California Los Angeles he received his MA and PhD degrees there He was formerly a staff member of the Rand Corporation and Director China Japan Program at Cornell University *Problems of Communism*, 1969 **China's Relations with Arabia and the Gulf 1949-1999** Mohamed Mousa Mohamed Ali Bin Huwaidin, 2003-09-02 This book provides a detailed analysis of China's foreign policy towards the Gulf and Arabian peninsula region from the establishment of the People's Republic of China in 1949 to the end of the 20th century Based on extensive original research it looks at the relations between China and each of the countries of the region over the entire period It demonstrates that two key factors have shaped China's foreign policy with the region China's relations with the United States and the Soviet Union and China's drive to increase its economic ties with the countries of the region especially after becoming a net importer of oil in the early 1990s **The Middle East in China's Foreign Policy, 1949-1977** Yitzhak Shichor, 1979-08-23 This volume provides a comprehensive analysis of China's Middle Eastern policy Chinese Foreign Policy Thomas W. Robinson, David L. Shambaugh, 1995 This study of Chinese foreign policy is intended for academics and graduates of Chinese studies and of international relations international economics and those interested in decision making theory **The Legal Framework of Trade Between the USSR and the People's Republic of China** George Ginsburgs, 1976-08 Based on the author's report presented to the Conference on Legal Aspects of the Foreign Trade of the People's Republic of China London 1971 Why Vietnam Invaded Cambodia Stephen J. Morris, 1999 Morris examines the first and only extended war between two communist regimes *China and the World since 1945* Chi-kwan Mark, 2025-04-02 Now in its second edition China and the World since 1945 offers an accessible introduction to China's foreign policy and diplomatic history across a broad chronology After the century of humiliation China was in constant search of a new identity on the world stage which significantly changed the way the nation defined itself and its role in the world The book traces developments in China's relations with the two superpowers Asian neighbours Third World countries and European powers examining China's role in modern globalization and the international community It also considers the influence of domestic politics and ideology on China's international relations Fully revised and updated with the latest scholarship the second edition includes a new chapter on China's foreign relations under Xi Jinping's administration including the reassertion of China as a Communist state identification with the Global South and the New Cold War with the United States as both powers grapple for global influence By examining the rise of China from a long term historical perspective this concise yet comprehensive study will be essential to scholars and students of Chinese history and contemporary international relations **Mao's Revolution and the Chinese Political Culture** Richard H. Solomon, 1971 Political science analysis of the impact of Mao's political leadership on politics cultural change and social change in China gives a historical perspective of Maoist political doctrine developed in context with traditional values

examines the motivational mechanisms for securing political participation and covers social conflict political opposition the political system the dynamics of political education etc Selected bibliography pp 575 to 588 **Parameters** ,1992 *The Legal Framework of Trade between the USSR and the People's Republic of China* George Ginsburgs,2024-11-25 Based on the author s report presented to the Conference on Legal Aspects of the Foreign Trade of the People s Republic of China London 1971 **Widener Library Shelflist: China, Japan, and Korea** Harvard University. Library,1968 Geopolitics and China's Patronage Strategy Dalton Lin,2024-09-30 This book highlights how resource constraints and client agency impact China s patronage policy in their pursuit of regional geopolitical power By combining for the first time the limit of great power patrons resources and the agency of client countries this book accentuates that the costs and uncertainty require China to be a wary patron who must adjust its patronage priorities in order to deal with geopolitical competition Using China s patronage delivery to North Vietnam during the fierce and geopolitically competitive period of the Vietnam War the book underscores that neighboring countries domestic political dynamics which are out of Beijing s control drive costs and uncertainty thus constraining Beijing s choices With a wealth of historical materials including minutes of Chinese decision makers conversations with foreign counterparts selections of Chinese leaders manuscripts chronologies of their diplomatic economic and military activities senior Chinese officials memoirs and biographies and declassified Chinese official documents this book will be of interest to students and scholars of Chinese politics history and international relations *Sino-Soviet Relations, 1964-65* William E. Griffith,1967
