Sins Of King David:

The Sins of King David Gary Greenberg, 2002 The common view of King David is of a young boy full of courage piety and humility who grew to be a goodly king Not so writes Gary Greenberg in this stunning history of the world s most beloved monarch In actuality David arranged the murder of Saul the popular first king of Israel had Saul s seven sons hanged did not slay Goliath and had an affair with Bathsheba impregnated her and arranged the murder of her husband Finally David allied himself with the Philistines the enemies of Israel In sum he was deceitful corrupt a tyrant and a murderer Drawing on the latest historical research as well as detailed biblical analysis this book represents a groundbreaking new look at one of our culture s most revered figures Greenberg takes a fresh look at the biblical stories of David unraveling the written skeins and hidden truths that weave through the biblical texts

The Adventures of King David Joseph Agbi, 2014-06-26 This book is a detailed account of the life of king David It vividly narrates his life and helps you to understand the spiritual strength he gathered as he grew in obedience and faith under the watchful eyes of the Almighty As a young shepherd he killed a lion and a bear thereby saving his sheep Also David watched by cowardly men defeated Goliath the Philistine giant setting the stage for his greatness King Saul David s predecessor was not pleased with David s successes and determined to exterminate the young wise man to prevent him from tasting royalty and the glories of kingship Together with a band of faithful men David under divine guidance overcame all obstacles he faced Thereafter king David backed by a committed military built a successful kingdom continued by his son king Solomon David s resolute faith and strong passion for God earned him the eternal reward of being the progenitor of Christ The intricacies of victory the agonies of defeat his love life the luring power of sin the rebellion from his own household and betrayal by friends makes his story compelling for everyone to understand You will certainly be motivated to aim for higher goals after reading this book

Sin and Its Consequences Donald H. Roy Ph.D., 2023-02-15 Well a book about sin might not be too compelling these days given that the subject hardly ever appears in day to day conversations perhaps only in theological settings and even there the subject is rather rare these days as well But one might find this Sin and Its Consequences A Biblical Timeline a satisfying exception to this commonplace reaction for it uses the theme as a vehicle to take the reader on a fascinating journey through the entire Bible from the first sin recorded there and its devastating results to the death of sin and the banishment of its worldly chieftain and his minions Yes it does consider most of the sins recorded in the Old and New Testaments and how God dealt with them this to help explain what Moses meant when he wrote The Lord is slow to anger and abounding in steadfast love forgiving iniquity and transgression but by no means clearing the guilty Numbers 14 18 That is the book helps to understand just what the implications of by no means clearing the guilty might be and how it is relevant

to how we live and think today The story line follows God s dealings with His images from Adam and Eve to the end times as recorded by Saint John in his book of Revelation There is much linking and contextual material including numerous images and discussion of the geopolitical settings related to the scripture which carries the main story line The book deviates from canonical scripture to present in two add on excurses the author s views on why God arranged the creation of His first two images Adam and Eve just the way He did and on what the fallen world to which they were banished was and is like Also presented are the author s noncanonical views on what Saint John saw in the seven thunders of chapter 10 of his apocalyptic journal The views expressed there are the result of many years of thinking about what Saint John might have seen and heard as those thunders sounded and why he was told to seal up what the seven thunders have said and do not write it down Revelation 10 4 The purpose in addressing this issue is to somehow bring the notion of what God might consider as the most egregious sins of modern times to the reader s mind and perhaps compel her or him to think about the subject as well After all this business of sin is no small matter It doesn t have to be morbid either but Jeremy Taylor expressed it well when he wrote No sin is small It is a sin against an infinite God and may have consequences immeasurable No grain of sand is small in the mechanism of a watch Finally in addition to all of this the book is a testimony or witness of the author to his faith as a Christian To this engineer the good news of what God has done in Jesus Christ is beyond a matter of faith it is so logical and so beautiful and so like God that it just must be fact why how else could His fallen images be made perfect as he is perfect righteous as He is righteous sinless as He is sinless except by the perfection and righteousness and sinlessness of Christ imputed to us by faith and so make the believer a fit citizen of the Kingdom

The Suffering of the Righteous Dr. Tanyi Eyongetah, 2018-08-13 The Suffering of the Righteous By Dr Tanyi Eyongetah While working on his master s degree in linguistics Dr Tanyi Eyongetah heard the call of God that his life was meant for something more substantial It was a challenging time in life his father had passed away and there was no one in his life to turn to except the Lord Working with prison ministry rural evangelism and Bible translation and literacy was only the beginning of Dr Eyongetah s path in working with God While there is evil in this world it is important to combat it with the love of God Living a life of prayer fasting and studying the Bible can guide any lost individual to the path of the righteous All those seeking refuge will find it if they know where to look This may be the start

The Divine Law Lawrence L. Blankenship, 2012-10 GOOD AND EVIL was written at the suggestion of some Bible students and was limited in scope to personal hygiene and disease pre vention how to keep healthy stay young and live long yet it was described by God Words and reader as Holy Bible in content because of my simple direct and unpretentious style of writing This book was written in the very same style and contains the answers to all the spiritual and medical problems of possible interest to the individual to the family and to the community The Good and Evil is regarding God Satan Sinful Disease Seven Deadly Sins the Sheep and the Goats and Prayer cannot be rightly understood without some knowledge of general history during the millennium before Jesus Christ The Bible is not only a book for

Christians but a national literature which needs to be studied like any other literature from an esthetic and historical point of view

name a few wrote history that is not quite like anything written in England before Remarkable for its variety its historical and literary quality its use of evidence and its narrative power this has been called a golden age of historical writing in England The Historians of Angevin England the first volume to address the subject sets out to illustrate the historiographical achievements of this period and to provide a sense of how these writers wrote and their idea of history But it is also about how medieval intellectuals thought and wrote about a range of topics the rise and fall of kings victory and defeat in battle church and government and attitudes to women heretics and foreigners Still Waters Cynthia Perkins,2018-02-16 This book is a Daily Devotional of how to walk by Still Waters with our loving Shepherd It is an in depth study of the TWENTY THIRD PSALM divided into five sections explaining our walk with The Shepherd through the valley of the shadow of death
