Levin, 1992 Contentious behavior among biological sisters frequently contradicts ideals of sisterhood in novels by women Additionally feminist criticism focusing on almost every imaginable relationship involving women has all but ignored sisters Amy K Levin's *The Suppressed Sister* studies these circumstances their causes and consequences How and why is the sister bond suppressed in favor of sisterhood Answers to this question may be found in female psychology social expectations and patriarchal myths and stories The tales of Cinderella and Psyche are paradigmatic

providing models of female competition and inscribing a conclusion that replaces sisterly closeness with heterosexual romance Jane Austen's sister plot is based on these models Her characters divide into pairs and adopt complementary personalities but polarization does not erase competition instead marriage erects social and economic barriers which enforce role divisions In *Wives and Daughters* Cranford and *The Life of Charlotte Brontë* Elizabeth Gaskell shows the danger of too close an attachment to the paternal home She too emphasizes differences revealing how they ultimately lead siblings to seek a sisterhood outside the family In *Mill on the Floss* *Middlemarch* and *Daniel Deronda* George Eliot paints increasingly negative portraits of sisters indicating that female siblings create differences where few or none exist These denials of similarity heighten the heroines isolation Twentieth century novelists including Barbara Pym Elizabeth Jane Howard and Margaret Drabble revise their predecessors texts drafting a plot after the father's They reject rules governing female behavior and question the expectation that women must get along with one another Finally Emma Tennant's *Bad Sister* together with several recent American novels abandons the conventions of the realistic novel challenging the very concept of character Tennant undermines all distinctions including those that treat sisters as separate individuals and those that classify certain behaviors as good or bad These novels show a progression that has been ignored or suppressed by feminist critics many of whom long for an idyll of sisterhood inherited from nineteenth century portraits of the angel in the house In denying anger or antagonism women cut off a part of themselves just as Cinderella's stepsisters amputate their toes to fit in her brittle glass slipper Levin's book questions the rationale behind such self destruction
