Sisters And Prophets:

Sisters and Prophets Mary Lou Sleevei,1993 Throughout the 12 portraits and stories of Sisters and Prophets Mary Lou Sleevei weaves brilliant intensely personal stories which remind us that these women are related to us they are family they are our own The author s striking art rendered in Hard Edge form uses vivid colors and stark simplicity to create bold images that tell stories of faith Dangerous Sisters of the Hebrew Bible Amy Kalmanofsky,2014 Fathers sons and mothers take center stage in the Bibles grand narratives Amy Kalmanofsky observes Sisters and sisterhood receive less attention in scholarship but she argues play an important role in narratives revealing anxieties related to desire agency and solidarity among women playing out and playing against their roles in a patrilineal society Most often she shows sisters are destabilizing figures in narratives about family crisis where property patrimony and the resilience of community boundaries are at risk Kalmanofsky demonstrates that the particular role of sisters had important narrative effects revealing previously underappreciated dynamics in Israelite society *New Generations of Catholic Sisters* Mary Johnson,2014 This volume brings together quantitative and qualitative data canonical and theological perspectives and sociological analyses to present a multilayered portrait of women religious in the United States today especially those who entered religious institutes after Vatican II *Sermons on Passages from the Prophets* John Mason Neale,1877 **Ethical Prophets along the Way** Rufus Burrow,2019-12-27 The Hebrew prophets of ancient Israel strove to convey God s point of view to the people and the powers at a time when injustice deceit malfeasance and crushing the poor and the oppressed was prominent much like today The prophets spoke courageously and emphatically about God s profound and unrelenting concern and compassion for human beings Much influenced by the theology of prophecy developed by Rabbi Abraham Joshua Heschel this book discusses the nature meaning and relevance of ethical prophecy at a time when democracy in the United States of America and elsewhere is under vicious assault from the religious and secular right and authoritarian politicians who openly flirt with and support murderous dictators sexism homophobia racial bigotry anti-Semitism and hatred of Muslims both in word and practice An examination of the contributions of eight powerful personalities from the period of American slavery through the post civil rights era Angelina Grimk Ida B Wells Abraham J Heschel James Baldwin Malcolm X Martin Luther King Jr scar Romero and Alice Walker offers a recipe for addressing this state of affairs Prophecy of the Sisters Michelle Zink,2009-08-01 An ancient prophecy divides two sisters One good One evil Who will prevail Twin sisters Lia and Alice Milthorpe have just become orphans They have also become enemies As they discover their roles in a prophecy that has turned generations of sisters against each other the girls find themselves entangled in a mystery that involves a tattoo like mark their parents deaths a boy a book and a lifetime of secrets Lia and Alice don t know whom they can trust They just know they can t trust each other **On Reading Prophetic Texts** Dijkstra,Bob Prof. Dr. Becking,2021-09-06 The articles in this volume have been written in memory of the feminist biblical scholar Fokkeli van Dijk Hemmes who died at the early age of 50 The

authors endeavour to continue and advance the dialogue with her by evaluating and interacting with her scholarly legacy. Their concern is with various aspects of her work on the Hebrew Bible and they respond in particular to the feminist hermeneutics she developed for reading biblical texts. Several articles test her method in application to specific prophetic texts. Other contributions focus on aspects of the role of women in the cults of Ancient Israel. A third group of essays confronts Fokkelen van Dijk Hemmes approach with more traditional ways of biblical interpretation. This book is an important contribution to the ongoing debate on feminist insights into aspects of the literature culture and religion of Ancient Israel.

Revelation 17-22, Volume 52C Dr. David Aune, 2017-12-12 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual linguistic structural and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship.

Overview of Commentary Organization Introduction covers issues pertaining to the whole book including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes Pericope Bibliography, a helpful resource containing the most important works that pertain to each particular pericope. Translation, the author's own translation of the biblical text reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses yet in reasonably good English. Notes, the author's notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation. Form/Structure, Setting, a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment, verse by verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. Explanation brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: 1 within the context of the book itself; 2 its meaning in the OT or NT; 3 its place in the entire canon; 4 theological relevance to broader OT or NT issues. General Bibliography occurring at the end of each volume; this extensive bibliography contains all sources used anywhere in the commentary.

Woman as Prophet in the Home and the World R. Mary Hayden Lemmons, 2016-09-15 This first ever interdisciplinary study of woman as prophet shows that in these troubling times ordinary women, especially Christian women, need to function as prophets by proclaiming in word and deed the indispensability of lovingly seeking the welfare of others. More specifically, social science shows that the person-centered love prophesied by women prophets is able to meet interpersonal challenges within the home and world while philosophy and

theology establish that women are able to excel as prophets due to the virtuous dispositions inculcated by femininity the choice to be caring a God centered spirituality and a pro life humanitarian personalist feminism that welcomes male collaborators Facilitating the ability of Christian women to prophesy love are Baptismal graces Thomistic virtues and a much needed prophetic Marian ecclesiology based on what John Paul II calls the prophetism of femininity These interdisciplinary findings provide an essential resource for educators and students of humanity the theology of women and evangelization These findings emerge first from an investigation into the cognitive and ontological underpinnings of what John Paul II called the feminine genius A second set of findings emerges from exploring the prophetic dimensions of the feminine genius secular feminism s need to adopt the insights of Christianity and the ability of femininity s prophetism to recast both femininity and feminism as Marian prophecies A third set of findings arises from analyzing the spirituality of women prophets within the Christian tradition by considering the conditions necessary for prophesying explicating requisite Thomistic virtues and delving into the spirituality of Hildegard Catherine of Siena Julian of Norwich and Teresa of Avila A fourth set of findings arises from innovative studies of polarization secularization lust romantic love the conditions whereby mothers with careers can flourish and the ability of nuns to combat racism in a small Midwestern town Overall these interdisciplinary investigations explicate the theology of women and show that women who prophesy love either in the order of grace or nature can help heal lives families and culture
